Imported

Safe Material - The silicone bibs made of top food grade silicone material that is BPA free, more durable,safe and comfortable for your babies.100% safe for your baby to bite on and does not hurt your baby's skin.

Adjustable Design - Tie around the neck to prevent from pulling off easily and stay securely on toddlers.Four neck size to facilitate the use of different age groups of infants and young children.

Food Catcher Pocket - Our silicone bibs design with a large capacity catcher pocket which can catches food out of baby's mouth without spilling out. That is a good helper for babies.

Easy To Clean - Waterproof and stain-resistant. Just use soapy or other detergent water to wash it. Dishwasher safe.

Product More Details

Large pocket: Our bibs have a deep, sturdy spill pocket that catches any stray food or liquid. The food catcher pockets are large enough to provide good coverage for messy eaters, the large pockets make it easy to catch large spills and keep baby's clothes clean, and the silicone baby bibs with pockets make cleanup after meals easier.

High quality material: Our lightweight bibs are made of 100% soft food grade silicone. BPA-free, PVC-free, and lead-free, baby can even pick up dropped food from the bib and eat it. We care about baby's safety and make sure the bib can safely touch baby's sensitive skin.

Adjustable size: The neck strap is available in four different sizes and the adjustable safety button ensures that the bib fits around each baby's neck. Suitable for children from 6 months to 6 years.

Easy to clean: Silicone does not absorb any kind of liquid. Waterproof and oil-resistant bibs prevent stain residue. Dishwasher safe and odorless. Can be rinsed with water, saving water and money.

Easy to carry: The soft silicone can be rolled up and put in a bag, taking up only a small amount of space. Comes with cutlery, so you can take it out for meals without worrying about getting your baby's clothes dirty.

Buttons easily
