Product Features

Baby Led Weaning Supplies: UpwardBaby's 4 Piece Silicone Suction Baby Bowl Set with 3 bowls and 1 spoon is the perfect first bowl set for babies and toddlers starting solid foods. Our bowls are soft, spill proof and also suction to our Placemats!

Safe Material: Our top of the line Suction Baby Bowls are made of premium quality and 100% safe silicone (BPA free, Lead free, and Phthalate free). Our baby feeding set is heat resistant meaning you can also toss these in the dishwasher for cleaning!

Strong Suction: To suction to any flat surface (not best on wood or similar), press down on the side handles. For improved suction, dampen the base of the suction cup and press down in the same way. For release, lift the tab at the base of the bowl.

Perfect Gift for any Baby: Perfect as a gift or for your own precious little one, these bowls are sure to please you and your baby. Our bowls will bring convenience, peace of mind and extra time into your days. These are perfect for baby shower gifts

Perfect Gift for Any Occasion, Age and Gender: There is no better way to welcome your new born into the world than with our 4 Piece Silicone Set with Spoon. It's the perfect gift idea for Christmas for a new mom or baby, for a baby shower, or baby registry of a newborn baby boy or girl.

Product More Details

Children First Because your children are too precious, we tested shape, materials and size until we found the perfect combination for your children's eating needs. Enjoy a safe, easy and non-spill experience when using our premium suction bowls and cutlery – perfect for any situation.

Highest Quality Our bowls are made from premium silicone. Not only are they durable, but also BPA free, lead-free, latex free, and BPS free.

No Mess Each of our baby bowl has a unique suction base that sticks onto flat surfaces, preventing the bowls from sliding and flipping over.

Key features Our bowls have important details that many of our competitors are missing. Each bowl includes, anti-slip handles, spill proof rims, and effective but safe edges on the cutlery. This ensures a clean, safe and easy eating experience for you and your child.
