Product Features

HIGH QUALITY The mini silicone popsicle mold is made from 100% pure silicone mold and premium plastic sticks, safe to make various kind of food. Colorful plastic sticks make it fun. You will feel more comfortable when using these durable and funny molds.

MULTIFUNCTIONAL Our DIY ice pop mold is very versatile, perfect for making a mini ice pop, egg bites, chocolate candy, mousse, chocolate, lollipop, ice cream, frozen yogurt, ice cubes with fruit juice, jelly for a party, birthdays, family gathering and so much more!

PERFECT DESIGN Each cavity of the popsicle makers is very small, mini pops are just the right proportion for kids' appetites and a guilt-free treat for adults. One mini ice cream at a time is healthy for your life, satisfying your sense of summer coolness but not too much fat.

EASY TO USE AND CLEAN UP Simply add juice, yogurt, pudding, smoothies, melted chocolate or sugar-free drinks into the mold, once the pops are frozen for 8 hours, you will get mini pops or lollipop. Non-stick material allows the mold simple to clean. Wash your silicone pop ice cream mold with warm soapy water or place them in the dishwasher to clean.

EASY TO RELEASE Silicone ice cream mould easily release your pops, no inverting required; simply pull out your popsicle and enjoy; each mold includes a stick with drip guard for mess-free enjoyment!
