Silicone Storage Container Features

FIVE LEAKPROOF INDIVIDUALLY SEALED COMPARTMENTS: Each compartment has its own individual seal to keep from spilling into the other compartments. Great for packing yogurt, hummus, or fruits with ease.

PROMOTES INDEPENDENCE WITH EASY TO OPEN LID: Toddlers and little ones can easily remove the lid when it's time for lunch or snack themselves. With a little practice, toddlers and elementary age can secure lid back on themselves.

STURDY AND DURABLE: This Bento is made from high quality food grade silicone. It's dense and sturdy and will hold up in the dishwasher, backpacks, and travels well to be used over and over again. It's BPA and PVC free.

SPACIOUS SIZE FOR A WELL BALANCED MEAL: Outer Dims: 8.5" x 7" x 2" Inner Dims: Left side - three small compartments: 3" x 2" x 2" Right side - top wide compartment: 4.5" x 2" x 2" Right side - bottom compartment: 4.5" x 4" x 2" The large compartment can fit a standard sized sandwich cut in half and stacked.

MODERN WITH BEAUTIFUL COLOR PALETTE: Thoughtfully designed in the USA, Austin Baby Collection Bento's have been crafted with a modern color palette and whimsical watercolor painted designs (on printed products) with both you and your little ones in mind.

DISHWASHER AND MICROWAVE SAFE: Easily hand wash with warm water and soap or if you prefer you can pop these Bentos into the dishwasher for quick cleaning. Microwavable, do not seal the lid completely to microwave.

EASY STORAGE: The Bentos can easily stack inside one another for compact storage in your home.

Silicone Storage Container More Details

Our high-quality silicone kid's 3-compartment lunchbox, the perfect solution for busy parents looking to pack healthy and balanced meals for their little ones. Made from premium food-grade silicone, our lunchbox is BPA-free, non-toxic, and phthalate-free, ensuring the safety of your child while they enjoy their meal.

The lunchbox measures 8.5" x 6.5" x 2" inches, making it the perfect size for kids' meals. The compartments are also leak-proof and airtight, keeping your child's food fresh and preventing any spills or messes.

Cleaning our silicone lunchbox is a breeze. It's dishwasher safe, and the flexible material makes it easy to remove any leftover food. Unlike plastic containers, our silicone lunchbox doesn't stain or retain any food odors, ensuring that your child's lunch remains fresh and delicious every time.

Safe and Durable: Made with high-quality food-grade silicone, our kids 3-compartment lunchbox is BPA-free, non-toxic, and phthalate-free, ensuring your child's safety while eating their meal.

Fits perfectly in an insulated lunchbox – and with our leak resistant lid, nothing will drip or spill inside your kid's lunchbag.
