Product Features

Sufficient Quantity: you will receive 9 pieces divided baby plates with suction cups and lids in 9 colors, and 9 spoons and 9 forks in matching colors; The sufficient quantity and colors are enough to meet your various daily use and replacement needs, you can also give it to your friends or family as a practical gift

Safe Material: these toddler plates with suction and silicone fork and spoon are made of quality silicone material, BPA free, odorless and non toxic, safe and reliable, not easy to break, sturdy and strong, can be applied for a long time, great as toddler tableware

4 Suction Design: there are 4 small suction cups on the bottom of this baby food plates with lids to enhance suction, which can keep your plate firmly in place on any flat surface, which allows your baby to learn to eat by themselves more independently and minimizing mess, ideal for early solid feeding

Divided Design: the silicone baby suction plate is composed of three parts, which can hold different foods separately, ensuring balanced nutrition for the baby and reducing food waste; And the divided design combined with the lid can store food separately, whether it is to preserve leftovers, prepared food, or snacks and meals on the go, it is convenient and practical

Easy to Clean: these divided silicone kids plates are easy to clean and can easily withstand -20 degrees Celsius to 200 degrees Celsius, dishwasher, freezer and microwave safe; Remove the lid and put them in the microwave or dishwasher for quick meals and easy cleanup, suitable for family dinners, parties, picnics, camping and other occasions
