Product Description

Silicone Baby Toddler Suction Plates Baby Bowls with Suction Toddler Bowls Set Kids Utensils Divided Plate Baby Boy Girl Feeding Set with Spoon Fork Dishwasher and Microwave Safe

Product description

JY was dedicated to providing high-quality, safe, and innovative feeding supplies for babies and young children. As the founders of JY, we are also parents ourselves, we know firsthand the challenges that came with feeding a little one. We wanted to create products that would make mealtime easier, more enjoyable, and more nutritious for both babies and parents.

Product specification

Special Feature	Adjustable
Packing	Poly Bag
Product Name	Toddler Supplies Cutlery Tableware for Kids
Type	silicone baby dinnerware set
Number of Pieces	4
Production	silicone baby feeding set

Product Features

- Package Include: you will receive 3 suction bowls, 3 suction plates, along with 3 sets of silicone baby utensils; The complete combination and sufficient quantity are enough to meet your needs for training babies to eat and daily use, which can be the first bowl set for babies and toddlers just starting to eat solid foods
- Friendly and Safe for Kids: the kids suction plate set, baby spoons and bowls are made of quality silicone, reliable and reusable, BPA free and sturdy enough to use for a long time, which allows your loved baby to use them with peace of mind
- Nice Suction Power: baby plates and bowls set adopt practical suction cups to make them securely attached to any flat surfaces you place on, avoiding children spilling food, practical and convenient
- Useful Portions: the suction plates for baby set possesses 3 nicely sized portion dividers for keeping food separate and well balanced meals, simply fill up with your little one's favorite breakfast, lunch, or dinner, offering matched fork and spoon to give your children a nice eating experience
- Dishwasher, Freezer and Microwave Safe: with quality material, the toddler suction plates and bowls set can withstand high temperatures without wrapping, suitable for dishwasher and microwave; And you can place them into the freezers in a safe way

Product More Details

- Practical Baby Utensils Set: including 6 pieces of baby plates with suction, 6 pieces of baby spoons and 6 pieces of baby forks in 6 different colors; these silicone baby plates and tableware sets can help your baby develop good eating habits
- Safe to Use: made of safe silicone material, odorless and non toxic, no BPA, PVC, phthalates, latex, safe for baby to use; and they are sturdy and serviceable, no need to worry about breaking
- Suction Design: toddler plates with suction can fit snugly on most flat surfaces, such as dining tables, high chairs, desks, etc., which won't let your baby spill food and keep your home tidy; baby plates are divided into 3 sections, ideal for you to place diverse foods
- Cleanable and Washable: simply wash the baby plate set with water or put it directly into the dishwasher; they can be placed in the refrigerator, freezer, oven or microwave and can withstand temperatures up to 400F for easy heating of food
- Sweet Gifts: You can give the baby self feeding set to your family, friends or colleagues with babies, it can be a good tableware for their babies to learn to eat by themselves.
