Item Weight	1.33 pounds

Product Features

UNIQUE DESIGN Silicone bakeware, designed to be used on bakeware, or directly into the oven, air fryer. Use it to chance to cook several items at once without the foods touching. This is an amazing upgrade.

PREMIUM FOOD-GRADE MATERIAL These food-grade sheet pan dividers provide excellent high temperature resistance and can withstand high temperatures of 450°F. Can also put the leftover items directly in the refrigerator, High quality, safe, BPA Free, wearable and durable.

DISHWASHER SAFE You do not need to worry about sticking to the pot and it is difficult to clean. The soft silicone separator are easy to clean and can be put in the dishwasher or washed with warm water. You can even flip it over from the bottom to clean the corners. They wash so easy and nothing stick as it has a special coating, The dishwasher is safe, resisting staining and odors.

FOOD INDEPENDENCE Using pan dividers to separate food in baking allows you to make different flavors of ingredients at once, meet different taste needs. Especially when he wants something processed. The silicone separator of this baking tray can separate the ingredients well without mixing them together, and can stagger the food of different cooking times into the oven to get the most delicious food. Also great for parties when you have to heat up different entrees!

SPACE SAVING DESIGN These dividers of the same size can be stacked together, which will free up more storage space for you. You will receive 2 small and 2 large silicone trays.

Product More Details

Fitted silicone pan Make any quarter sheet pan non-stick and easy to clean with 100% ecofriendly nonstick silicone baking mat pan linerliner

Cleanup is a snap. Dishwasher safe, heat resistant to 425 degrees and reusable – unlike parchment paper and baking paper. Silicone bakeware is perfect for those who want an easy, non toxic sheet pan.

Superior to a flat silicone baking mat and silicon tray for messy and liquid producing foods in the oven. Fiberglass free (unlike other silicone baking mats)!

Nonstick silicone pan liners are great for cookies, macarons, bacon, pastry, roasting tomatoes, or any other messy, sticky, or acidic foods.
