Product Features

The "average" shower mat is too small for the standard size of a shower stall and doesn't provide the full coverage needed to effectively create a non-slip area for elderly people, kids, and others. JY shower mat measures 27" x 27" while other stand up bath tub mats measure 21" x 21".

The "JY" mat is extra large, designed to create that 'accurate' fit in a shower giving 65% more anti-slip protection than other brands. A must have addition to your bathroom accessories.

Warning: Designed for use on smooth surfaces only. For your safety, do not install over grout lines, voids or textured/uneven surfaces; all of which negatively affect adhesion. This product is not intended for use on refinished surfaces. Always make sure that your mat is securely attached before entering or exiting your tub, shower or other slippery areas. No anti-slip product can prevent all accidents.

Designed with 100 pliable, power grip suction cups that secure this super soft touch mat in place no matter where you stand. Plus, the extra large square shape allows it to fit in standard shower stalls as well as a bath tub.

Machine washable and easy to clean. Provides excellent and effective drainage with a large, centered drain hole and dozens of mini surface holes.
