#### Product Features

Exceptional drainage - Standing water on top of your shower mat can reduce traction and lead to unwanted build up or odors. That's why we added hundreds of flow-through holes and large center drain holes to deliver industry-leading drainage and significantly reduced drying times.

Use just about anywhere - Designed to provide essential anti-slip protection on just about any smooth surface, this mat works effectively in bathtubs, standard shower stalls, college dorms, RVs and much more. Simple to install wherever you want a little extra non-slip protection and peace of mind.

Easy to care for - Simply wipe with a damp cloth after use, or for a deeper clean - machine wash and hang to air dry. Made from high-quality BPA-free, Phthalate-free, odor-free PVC for years of reliable use.

Warning - Designed for use on smooth surfaces only. Do not install over grout lines, voids or textured/uneven surfaces; all can negatively affect adhesion. Always make sure your mat is securely attached before entering or exiting your bathtub, shower or other slippery area. No anti-slip product can prevent all accidents. Not intended for use on refinished surfaces.

#### Product More Details
