Product Description

New Arrival Non-slip Silicone Bathtub Shower Bathroom Mat

Product description

Use high-strength TPE and pp material, safe and comfortable to touch, the gap inside the non-slip mat can drain quickly. There are 138 individual suction cups made of TPE material at the bottom of bath mat, which has strong grip and firmness. It can effectively prevent the elderly and children from falling while taking a bath, ensure safety for your family. The non-slip shower mat has a durable surface, anti-slip design. Slotted panels and wave textured surface design, provides safe, comfortable footing for protection against falls, even if it touches the shower gel it will not slip. You can cut the shower mat as your need. If you need bigger sizes, you can buy more pieced together.

Product specification

Size	Hexagon (35" x 16")
Water Resistant	Yes
Usage	Bath Room
Item Weight	1.98 Pounds
Country of Origin	China
Item Dimensions	40 x 16 x 40 inches

Product Features

The surface adopts a three-dimensional cute pattern, which is soft and comfortable to touch, effectively improving the anti-slip ability of the anti-slip mat.

It is made of food grade silica gel, which is environmentally friendly and tasteless. It is harmless to the human body and protects the health of the skin.

It can be affixed everywhere, the drain storage does not occupy the place, the right angle is placed, and it does not slip down.

The silicone material has strong toughness and is not easily deformed by external force, and the hand feels smooth and comfortable.

The bottom is covered with a number of powerful suction cups that hold the ground tightly and have a high slip index.

Product More Details

Eco & Safe Material JY bathtub mat is made from silicone, a non-toxic and safe material that is odorless, Phthalate free, BPA-free, no more bother from traditional PVC mat's toxic chemical smells, good for elderly, kids, and pregnant women.

Stylish & Endurable Tub mat designs in a unique outlook, nicely complement your bathroom's style. 16x28" inch bathtub mat have you and your bathtub get enough protection. Moreover, the Silicone tub mat resists cracking and tearing ensuring a long time of comfortable use.

Anti-Slip Cups Bathtub mat has an anti-slip textured surface and hundred of suction cups, providing stronger adsorption, then helping securely hold tub mat in place on smooth, clean surface. Not for tiled or uneven floors.

Soft Touch We build our tub mat with quality silicone (soft material) with a soft-to-touch surface to make you feel extra comfy step on it. Bubble shape design gives you a pleasant massage touch experience to relax your body.

Versatility & Easy to Use Bathtub mat built for bathtub and shower stall etc. Great for home, hotel, gym, sauna, spa, etc.

Machine Washable and hang air dry after each use to keep mat fresh. Press down cup grips to make sure that mat is securely in place.
