Wooden Kitchen Utensil Features

Silicone handle is anti-scalding. The silicone tips protect your pans and keep the cookware surface from scratches or dents. Extend the life of all your kitchen pans. They are scratch resistant. These 5 kitchen utensils are super easy to clean.

Food grade safe silicone. Heat Resistant, Non-Fusing, Odorless - Made of food grade silicone, BPA free, very safe to use on any type of food. This silicone cookware won't react with food or beverages, and won't retain odor or color when you use it to stir food-based processes.

Easy to clean - no deformation. The one-piece shape captures food seamlessly, unlike many cookware products. Cleaning is very simple. Cleaning work can be washed in the dishwasher.

Variety is the spice of life - each piece is flexible enough and the ergonomically designed velvety smooth handle will fit the palm of the hand like a glove.

Kitchen Utensils - Handpicked by us considering most scenarios of kitchen use. At the same time, we take quality and safety very seriously.

Product More Details

- [PRACTICAL SET] The package includes 19 pieces kitchen utensils: Chef knife, slicing knife, bread knife, utility knife, fruit knife, spatula, slotted spatula, deep soup ladle, shallow soup ladle, colander, pasta spoon, flat spatula, scraper, basting brush, eggbeater, food tongs, chopping board, scissors and cutter holder, which fully satisfies your daily cooking need.
- [SELECTED MATERIALS] The perfect combination of premium thickened steel, wood, food-grade silicone and PP, these kitchen tools are heat resistant, BPA free, anti-corrosive, safe, durable and easy to maintain. Unlike plastic and metal utensils that will easily melt or damage your pots and pans, they will protect your cookware from being scratched.
- [ERGONOMIC HANDLE] Knives adopt non-slip handles that provide a secure and comfortable grip while cutting. And other utensils are designed with wooden handles with a small hole for convenient hanging.
- [KNIVES WITH OPTIMAL SHARPNESS] These knives are crafted from superior high carbon stainless steel for strength, durability and precision results, boasting optimal sharpness that make cutting easier.
- [TWO-IN-ONE HOLDER] Thanks to the two-in-one holder that can store both knives and other kitchen utensils at the same time, this kitchen tools set won't take up much space.
