Silicone Kitchen Utensil Features

NO NEED TO PAY FOR EXTRA KITCHEN UTENSILS : We considered that maybe you don't want to pay for the cooking utensil set you already own. So we have selected for you a silicone cooking utensil sets that is dedicated to cooking. This means you don't have to spend extra money on repetitive utensil tools

BPA-FREE, ODORLESS, FOOD-GRADE SILICONE : Just as every consumer is concerned about the safety of these cooking utensils. We strictly control the production and quality of these cooking utensils, which are made entirely of food-grade silicone, BPA-free and odorless . Note: It must be soaked for half an hour when it is used for the first time, and then exposed to the air for about 3 hours, the original smell of silica gel will disappear

HEAT-RESISTANT, SOFT AND DOES NOT HURT THE POT, DOES NOT WARP : These silicone cooking utensils set can withstand heat up to 446°F (230°C). You can use them in boiling water or hot oil. The stainless steel is wrapped in silicone to form a whole body, which is soft and retains memory without warping. This allows chefs to use them to easily stir and flip food without you having to worry about scratching the surface of the non-stick pan

EASY TO CLEAN, IT IS A GOOD IDEA FOR GIFTS : These silicone kitchen utensils are very easy to clean. After being soaked in water for 5 minutes, they will become very clean after being rinsed with water. It is worth noting that we do not recommend washing in the dishwasher. Exquisite packaging and reasonable price are the best ideas for sending mothers or friends

Silicone Kitchen Utensil Details

- **Perfect Cooking Gifts this Holiday Season** - This premium silicone cooking utensils set is designed to make your cooking experience easier and more enjoyable. In this 8-pack Home Hero silicone utensils cooking set, the heads are made of high-quality silicone that's safe to use on nonstick cookware while the handles are made of acacia wood, making them rust-free. These heat-resistant utensils withstand hot temperatures and won't melt, even with daily use.
- **Superior Acacia Wood Handles** - Our silicone utensil set has an ergonomic design so you can cook worry-free. Made of superior acacia wood core, the handles are resistant to corroding, breaking, bending, and snapping. We combined the durability of acacia wood and the versatility of silicone in each kitchen tool, allowing you to whip and cook meals effortlessly. With our sturdy yet lightweight professional kitchen tools, you can create a variety of dishes with five-star quality.
- **Great Value for Money** - With 8 cooking tools in one pack, this kitchen cooking utensils set gives you excellent value for money. You'll find everything you need for all your basic cooking activities. This set includes a solid spoon, slotted spoon, solid turner, slotted turner, soup ladle, pasta server, spatula, and round spatula. Every piece is crafted with durability and is sure to last for years
- **Designed for Your Utmost Convenience** - Our products are made to meet customers' highest standard of quality. Your convenience is our number one priority, which is why all kitchen gadgets are carefully created with your comfort in mind. Silicone heads do not transfer heat, protecting your hands from scalding. Moreover, this set is dishwasher-friendly. The hanging loops allow you to air dry the tools with ease while saving space and keeping your countertops tidy.
