Product Features

- ✓ **FOOD GRADE SILICONE:** The environment gets polluted these days easily. With that in mind, we made this sink kitchen splash guard using an eco-friendly 100% silicone material safe and perfect for washing dishes, vegetables, and fruits in the kitchen.
- ✓ **ELASTIC DESIGN:** Forget the usual water splash guards which are rigid and give you a torrid time when washing your vegetables and dishes. Our durable sink protector is convenient to use and is adjustable to suit different sizes of kitchen and bathroom sinks.
- ✓ **PERFECT PROTECTION:** It feels uncomfortable, and water splashes all over your clothes when washing dishes and vegetables. With our splash guard, water splashing all over your clothes will be a thing of the past, our splash guard is longer than normal sink guard
- ✓ **Convenient to use:** There are countless nano suction cups on the bottom of our products, so he can perfectly fit the edge of your kitchen sink. There is no need to worry that water will flow out of the gap like traditional products, or that the splatter guard will fall into your sink.
- ✓ **MODERN DESIGN:** This highly durable sink splash guard is not just comfortable to use but aesthetically pleasant to look at in front of your kitchen sink. Not only that, but our soft shade colors will also add the perfect accent for your kitchen.

Product More Details

No More Tedious Drying ... Give your kitchen sink an effort-saving upgrade! These nifty kitchen sink accessories fit snugly around your faucets to reduce splashes as you do the dishes. This means no puddles to clean up & no water spots by the faucet.

Experience the JY Difference ... This isn't just any kitchen faucet sink splash guard set. While others are made using hard-to-clean fabric that takes ages to dry, we've created our splash guards out of dishwasher-safe silicone that never gets soggy.
