Product Features

Multiple Upgrades: Material: silicone faucet mat for kitchen sink 100% food grade silicone, soft and reliable reusable and durable. won't scratch your utensils, totally safe to use. Better than other drying mats for countertop which fabric type on the market. Just rinse with water or toss into.

Auto Drain: Unlike other products, we have increased the size, thickness and weight of our products. The latest 5° slope design allows for faster and smoother water discharge and faster drying. This means no puddles to clean up & no water spots by the faucet. Give your kitchen sink an effort-saving upgrade!

MULTIFUNCTION: It's not only a faucet drying mat, it also a sponge holder for kitchen sink, dish soap tray, dish drying mat. For kitchen: put sponge, dish soap, detergent, brush, and bottle on it. For bathroom: put facial cleanser, razor, toothbrush cup on it. Used as a small organizer mat, drain pad.

EASY TO USE: Pre-cut the complex shape of the faucet, the diameter of the middle hole is adjustable. The material is heat-resistant and durable, which makes it perfect for use in the kitchen. It is also flexible and easy to clean, which makes it a practical option for any kitchen.

Purchase Notes: Please Measure Size of Your Faucet & Sink Before Purchase! Not applicable to curved edge, shaped sinks or basins, some sinks with built in water filter and hand soap dispensers.

Product More Details

Perfect Fit Our silicone faucet mat measures 15" in length and 5.5" in width, with a 2.5" aperture that fits most faucets. Please measure your sink and faucet size before purchase to ensure a perfect fit.

Premium Quality Made with 100% food grade silicone, our splash guard is better than other fabrics available. It's safe, durable and easy to clean, providing long-lasting use.

Easy Drainage The slight downward slope and unique drain twill of our silicone faucet mat make it easy to get rid of excess water and keep your sink countertop dry.

Organize Your Sink Our faucet mat not only catches drips but also serves as a rest area for brushes, sponges, and detergents, keeping your sink counter tidy and organized.

Multiple Uses This versatile splash guard can be used in various areas of your house, including the kitchen, bathroom, laundry, sink, farmhouse, bar, and RV.
