Silicone Bento Box for Details

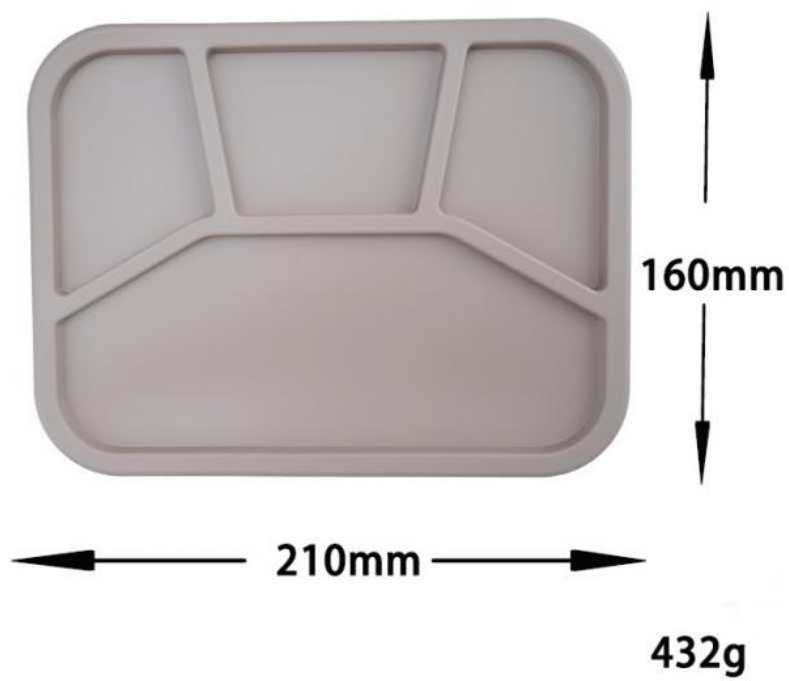

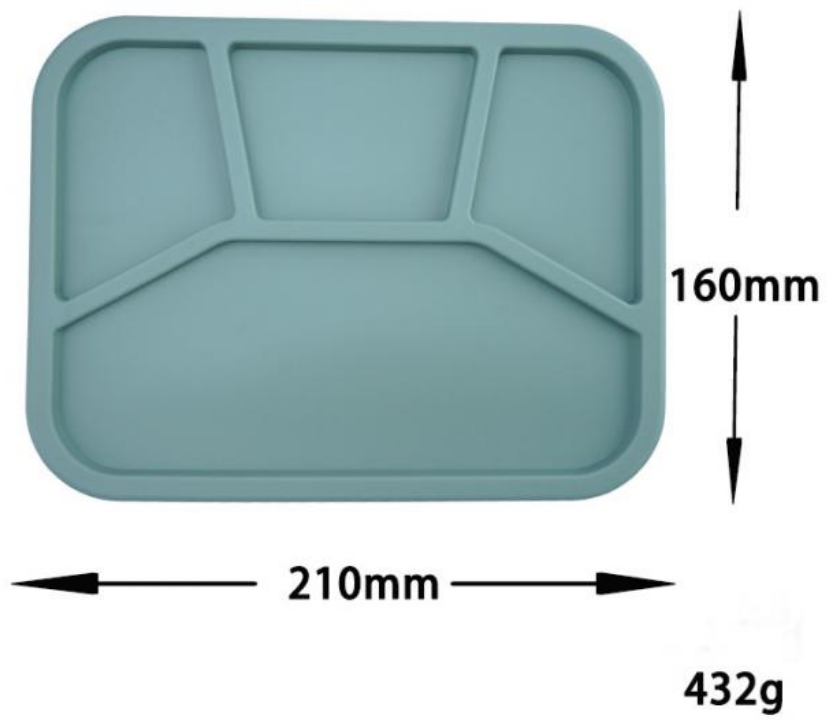

- **MADE FROM HIGH QUALITY SILICONE-** Our silicone lunchbox is constructed of 100% food grade, bpa free materials and passes rigorous testing to ensure its safety for you and your family. It is microwave safe, freezer safe, dishwasher safe, highly durable and lightweight
- **LEAK-PROOF DESIGN-** Our matching silicone lid provides the security you need to be able to take your lunchbox on the go with the peace of mind that it won't leak in your bag or on the seat of your car. Although, we would still suggest to keep your lunchbox flat during transportation.
- **EASY TO CLEAN-** With the nature of silicone's stick-free surface it makes cleaning a breeze!
- **EARTH FRIENDLY-** Unlike plastic, which breaks down into micro plastics when left in the environment, silicone is made from non-toxic silica and is inert and will not break down and release toxic materials into the environment. This also means it will last you a very long time!
- **PORTION CONTROL-** Our 4 compartment design encourages a balanced, well-portioned diet, well doing our part to kick single use plastic boxes to the curb
- **BEAUTIFUL COLORS-** When we manufacture our lunchboxes we try and stick to calming colors inspired by the earth
- **REUSABLE!** Our lunchboxes will outlive its plastic counterparts because you won't have the same issues of your lunchbox cracking when you drop it or just overall deterioration from use. Our lunchboxes are reusable unlike single use plastic boxes or plastic bags, saving the environment and your wallet.
