## Product Description

### BPA Free Dishwasher Safe Silicone Bento Lunch Box 3 Compartment

#### Silicone Double Layer Lunch Box Description

Compare with Reusable Bags of Other Materials

The fabric just gets rough over time . Vinyl is hard to clean and usually , dishwashers are unsafe . There is another kind of silicone resin , which needs a separate rod to close them , which is easy to lose . Sometimes it can't be completely closed , and it will emit odor . This fastener bag is the simplest and easiest to use . No individual pieces can be lost . Can withstand any temperature / microwave / dishwasher / anything . The entire bag has no place to hide debris residues
