Pizza Leftover Storage Container for Features

SPACE SAVER - Each pizza container collapses and expands to accommodate the number of pizza slices you have. Perfect for storing leftover pizza without a pizza box taking up the whole shelf!

PIZZA SAVER - If you don't think pizza tastes better the next day, then you haven't been storing it properly. Our snap-on airtight lids create a vacuum seal that will keep your pizza slices fresher longer! Each pizza pack container features an optional air vent to reduce condensation and prevent you from experiencing the dreaded Soggy Slice Syndrome.

ONE SIZE FITS ALL – The pizza pack fits slices from any pizzas up to 18in. If New York slices are your thing, you can always trim down a side for that perfect fit!

SAFE & DURABLE - Our reusable pizza boxes are made with non-toxic, BPA free, food-grade silicone which is odorless, leak-proof, and non-stick. They are also microwave, freezer, and dishwasher safe.

Multiple Uses - Our reusable pizza box is widely used. Separate design for dual using of a box, not only can put leftover pizza, can also put fruit, sandwiches, pasta, cheese, pastry, etc. Completely sealed to keep food fresh, ideal for home travel, picnic, camping and so on.

Pizza Leftover Storage Container for Details

[Seal and Leak Proof Design]: reusable pizza storage container used three-side compression sealing design, 360° silicone sealing ring double protection, firm and durable, put in the refrigerator do not worry about flavor leakage, prolong the preservation time, say goodbye to the refrigerator storage troubles. And you don't have to worry about the juices spilling when you're packing your meals.

[Multiple Uses]: Food Container Lunch box is widely used, not only leftover pizza storage container, but also put fruit, food, pastry and so on, a box of multi-purpose, suitable for home travel, picnic camping Lunch and so on. Silicone material let pizza storage container can be reusable.

[Pizza Trays]: It's a soft silicone exhaust valve with easy exhaust and a thickened wear-resistant bottom to increase the service life, The lid of the pizza box can be used as a pizza plate.

[Precautions]: Please confirm the size before purchase. If the lid of the pizza box is covered during heating, be sure to open the silicone exhaust valve. If you have any quality problems, please contact us.
