Product Features

EVERY THING INCLUDED: This complete set includes 2 adjustable bibs with food collectors, 1 suction cup divider, 1 suction cup, 1 training sippy cup, 1 stage 1 spoon and 1 fork. These high quality solid color baby feeding products come in boxes. Every thing your baby needs is included.

DON'T WORRY ABOUT THE MATERIALS: 100% food grade silicone is the RAW material. When you get the set, you can feel the softness of the products, which is friendly to you baby. Besides, our products are refrigerator safe, dishwasher safe, and microwave safe. The complete harmless set allows your baby to experience the joy of eating by himself with more confidence.

SUCTION PLATE, BOWLS & STRAW CUP: Suction cups are affiliated both to the bowl and the plate, which enables the bowl and plate be securely attached to all kind of smooth surfaces. It ensures your kid to have a chance to practice dining on their own without dropping their plates onto the ground to cause a mess. A pleasant new dining experience for both your child and yourself!

EASY TO CLEAN: The products are soft and smooth enough to wash, hand wash or dishwasher wash are ok, a little detergent is needed to clean.

WHY NOT PREPARING AS A GIFT: Choose our products as a nice gift in appropriate festival, I believe whoever gets such a practical and perfect baby feeding set will be really happy. So buy it now!

Product More Details

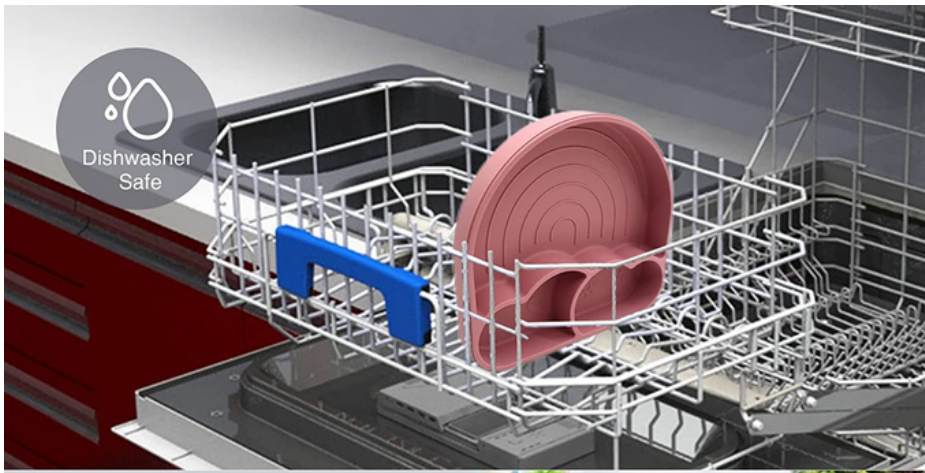

Silicone Baby Feeding Kit: the silicone baby feeding set that you will receive are in 2 colors, military green and beige, and each set comes with a small separated dinner plate with suction, a pair of spoon and fork, a adjustable bib, a bowl, a snack cup, a silicone spoon and a straw, a total of 16 pieces; It covers basic cutlery for baby side foods to help your baby transition to self feeding

Use with Confidence: these baby feeding supplies are made of quality silicone material, safe and reliable, so you can rest assured; The silicone material texture is soft and anti fall, don't worry about it will hurt the baby's skin

Practical Suction Design: the bowl and plate of this baby led weaning utensils set are designed with suction cup, which can effectively avoid the plate and bowl sliding down on the table, so as to play a good role of non slip, and to better reduce the mess, so that your baby can eat more independent

Thoughtful Double Handles Design: the baby snack cups feature a frosted design with dual handles that increase the friction between your baby's fingers and the handles, which your baby can hold firmly, helping them maintain their good habit of eating alone

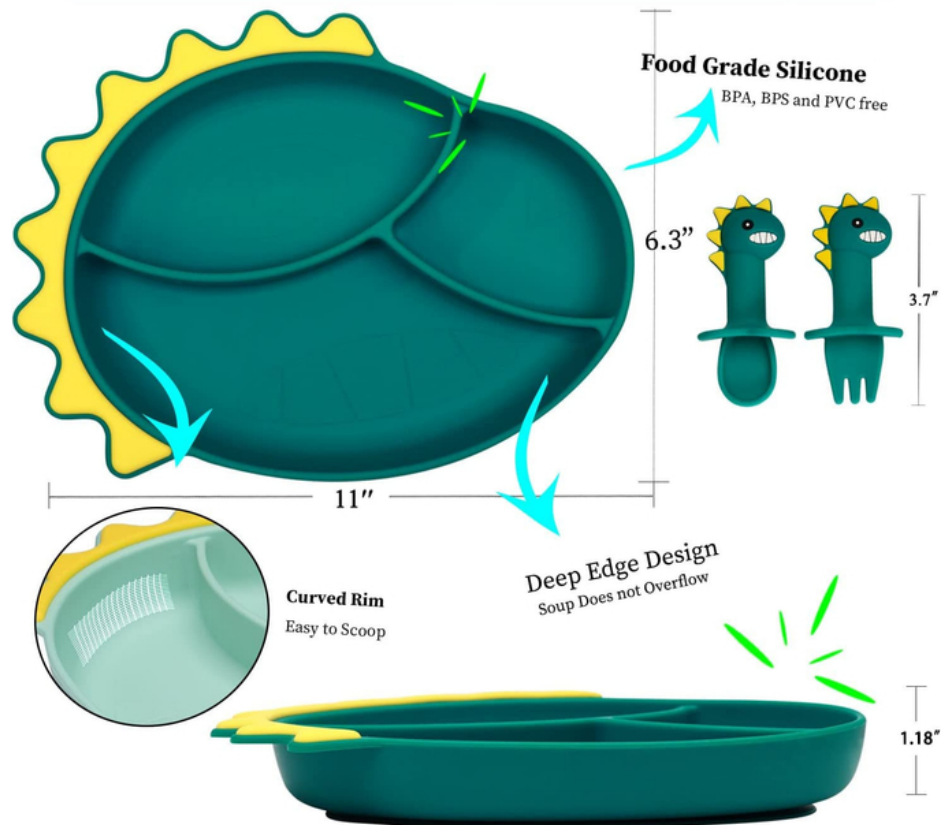

Easy to Clean: because of quality silicone material, this silicone feeding set for baby can be put in the dishwasher, easy and convenient to clean; Besides, they can withstand high temperatures, making them suitable for microwave ovens

A large blue silicone dish rack is shown being pressed down by two hands, demonstrating its strong suction power. The dish has a central divider and a textured base. A circular inset shows a smaller version of the dish being pressed down.

STRONG SUCTION, IT FIRMLY STUCK AVOIDING DISHES GOING AIRBORNE.

The large suction bases make great suction power on any flat surface, press down into the center to increase suction

Fits Most Highchair Trays
