Product Features

Size & Color You will receive 2 pcs air fryer silicone pot 1pair x Oven Mitts, which can meet your daily replacement needs. So please check the fit of your air fryer basket before buying!

HeatResistant & Reusable Our air fryer silicone pots are made of good quality food grade silicone that can withstand high temperatures up to 220°C (428°F) without deformation and non-stick.

Wide Application Air Fryer Silicone Pot is not only suitable for air fryers, but also can be used in microwave ,ovens, steamer and other tools to make various foods.

Practical Design The bottom texture facilitates air circulation and evenly distributes heat. Can effectively prevent food from sticking to the pan, it can be folded, it is very convenient for storage

Easy Cleaning It can be washed directly by hand or in the dishwasher, which is very convenient. It is recommended to put hot water for a few minutes to clean the oil stains, it will be better

Product More Details

Reusable Baking Cups: You will get 24 pcs food-grade reusable silicone muffin cups with tabs, 6 different colors, 4 of each color. Convenient tabs let you remove baked goods quickly and easily.

Food Grade Material: JY reusable silicone baking cups are made of food-grade silicone. Non-stick silicone material, Effortless food release, no greasing or cooking spray needed, stain and odor resistant.

Easy-Lift Tabs: Convenient tabs for removing cupcakes or muffins quickly and easily (without leaving a thumbprint!) Our silicone cupcake liners design with flower-shaped tabs which makes it easy to lift out of the steel cupcake mold or from the cookie sheet.

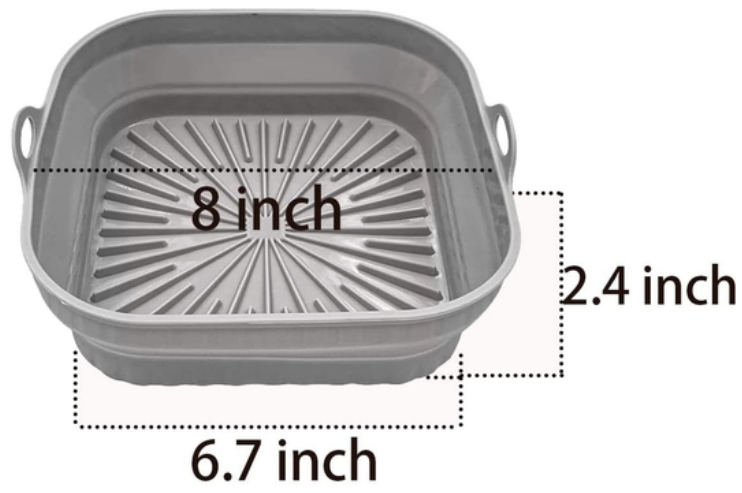

Multi-Function Use: Silicone Cupcake Liners perfect for any standard muffin pan & cupcake pan to make cupcake, muffin, egg bites, brownie, quinoa loaves, etc. It can also be used as free-standing baking cups in the oven. The food pops right out without greasing the cups, Non-Stick silicone easy to clean.

Very Suitable for Baking: The silicone muffin liners for baking can be used over a wide temperature range from -40°F to 446°F (-40°C to 230°C). And this durable and reusable silicone muffin mold is a perfect replacement for disposable paper liners, you won't have to waste money on more paper liners. Silicone cupcake liners for baking can be used for microwave, oven, refrigerator, freezer and dishwasher.
