Product More Details

Silicone Non-Slip Bath Mat : Size 14x27.5 inch rectangle, suitable for all sizes of the bathtub and shower stall. Suitable for the elderly, babies, and children, the bathtub mat can both protect your bathtub floor and prevent accidental falls, providing safety protection for your family.

Super Strong Adsorption : The bathtub shower mat is made of high-quality silicone, which is soft and elastic, with good heat resistance, and will not deform. The imitation octopus suction cup design at the bottom can be firmly adsorbed on the wet bathtub or floor surface, the grip is very strong, and the mat will not move easily.

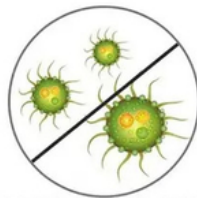

Comfortable Round Hole Design : Multiple grooved drainage holes and raised anti-slip pebbles design, not only can drain and anti-slip, but also massage the soles of the feet. This tub mat has more spacious drainage holes, with hundreds of round hole suction cups densely arranged to help drain and keep your tub or shower clean.

Easy to clean & Machine Washable : The bathtub mat can be hung on the wall to dry after use to keep it clean, or it can be washed in the washing machine to remove the mushy soap that the soap may produce when bathing and keep it clean and hygienic. The bathroom mat is suitable for marble, tile, glass, and other smooth walls, and will not damage the decoration of the wall.

Enjoy Bath Time : The bathtub mat is very soft and can be folded for storage. The anti-slip force is super strong to provide you with safety protection. The round hole design provides a massage experience when you shower, allowing you to enjoy a relaxing moment and wash away all fatigue. Suitable for home bathtub shower room, gym, sauna, spa, etc.
