Silicone Collapsible Colanders Features

- High-quality: made from premium silicone material, our colander is heat-resistant and dishwasher-safe, ensuring long-lasting use. The sturdy construction of the strainer with handle allows for efficient straining without worrying about deformation or breakage.
- Convenient and space-saving design: our Colander collapsible is designed to easily fit over your sink, allowing you to strain and rinse vegetables and fruits with ease. The collapsible feature makes it compact and easy to store in your kitchen cabinets, saving valuable counter space.
- Versatile and multifunctional: this sink strainer is not only perfect for straining pasta but also great for washing and storing fruits and vegetables. It comes with extendable handles that provide a comfortable grip and make it easy to drain water or excess liquid.
- Essential kitchen accessory: this is a must-have for every kitchen. It helps in food preparation and cooking and adds a touch of style to your kitchen decor.

Silicone Collapsible Colanders More Details

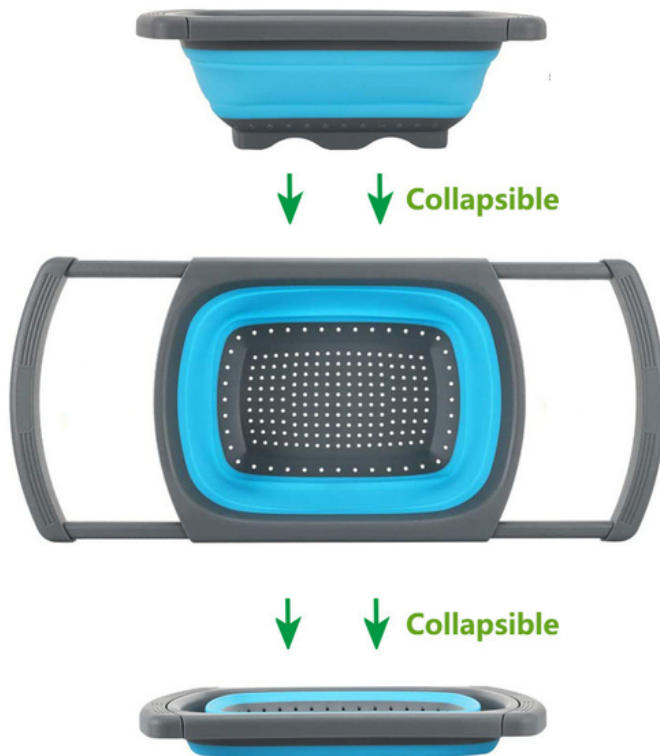

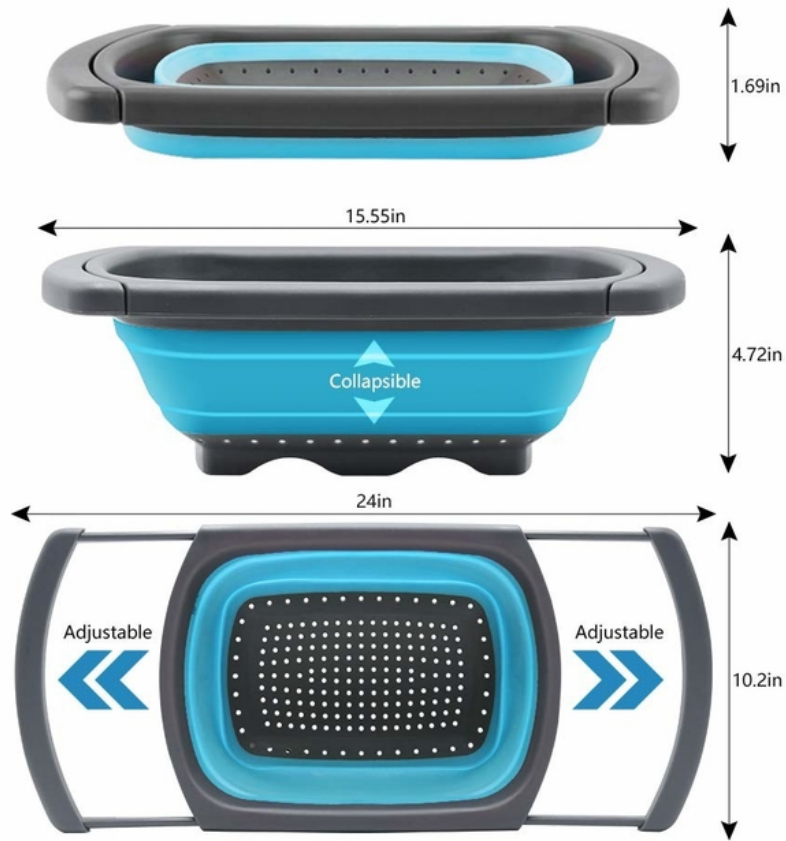

- Healthy materials - Using environmentally friendly Rubber and plastic materials, no smell and non-toxic. The colander is BPA-free and dishwasher-safe.
- Sturdy design and premium quality - You can rest assured that you're getting only the very best with silicone collapsible colander. The strainer's convenient and ergonomic design will make cooking easier than ever as it has non-slip handles for perfect stability.
- Large capacity - The Kitchen Strainer can hold 6 quarts of your favorite pasta, noodles, vegetables, berries, leafy greens, and so on.
- Multi-use and space-saving - You can use it in or over a sink and freestanding on a counter or table. The expandable body design can collapse from 4.72 inches to 1.69 inches high in just one push, making it very convenient to store in any kitchen drawer, cabinet, or drying tray without taking up too much space.
- Good service - We are so confident that you will be fully satisfied with our product. We believe that we can help you solve any problems within 24 hours.
