#### Product specification

Feature	Stocked
Product Dimensions	1.78"L x 1.78"W x 1.2"H
Item Dimensions LxWxH	1 x 1 x 7 inches
Number of Pieces	8
Weight	0.01 Pounds
Usage	DIY ice cream

#### Product Features

Safe and Durable Materials - Each ice tray size: L 7.87 \* W 4.53 \* H 0.79 inches. Made of 100% food grade silicone, BPA free. It is soft and comfortable to handle and can come in direct contact with food. Easy to clean. Suitable for dishwashers, refrigerators, freezers and microwaves.

Stackable and spill-proof lid - Our ice grid trays come with a removable lid that prevents spills and also prevents The contents absorb the odor or taste of the refrigerator. The lid makes the ice compartment easy to stack to save space and it won't get stuck. Clean and tidy!

Not-stick design - The ice can easily separate from the non-stick silicone ice mould. Just one push, one ice cube can be pushed out of the mold. No need for awkward bending & twisting. Never worry about breaking the ice tray.

High & low temperature resistance - Whether it is winter or summer, you can always use Our Large ice tray You can frozen drinks, or fill them with batter, and bake delicious muffins in the oven. Heat resistance-230° F, cold -40 °F.

Convenient To Use - This ice cube tray is a flexible tray that will NOT crack in the freezer. whether it is tea, coffee, milk, cocktails, champagne, brandy, or your own original, you can creatively use the liquid you used to make ice.

#### Product More Details

Safe& Stronger : Made of premium silicone and food-grade material. BPA-free & Odor-free! Ensure the ice trays are more robust and more durable. They can work from -40°C to 230°C temperature, so they are safe to use with any dishwasher and Microwave. It makes your life convenient!

Nice Design Molds :This mold comes with 4pcs Football shape . This humanized ice tray with a storage bin allows you to make perfect size ice cubes while preventing spills and freezing excess water and keeps ice cubes from absorbing freezer odors. Diameter of 3 inches,They can withstand long-term low-temperature storage without breaking

Easy to Use & Dishwasher Safe : Build-in Funnel, Fill the trays with water or any beverage, fruit, or soda, through the tiny holes, cover the lid on, and then slip the trays into the freezer. Customize your favorite flavor. You can simply put them into your dishwasher after use

Easy Ice Removal : This Silicone ice cube tray with lid and bin uses TPE material and the bottom wider design, which makes it easy to release ice cubes and the soft silicone material will not break after freezing for a long time. Each flat cube compartment is separate from the others so you can easily push from the bottom
