#### Product Features

- ✓ **PACIFIERS FOOD GRADE SILICONE MATERIAL:** The feeder is made of environmental silicone and polypropylene which is safe and durable. You can sterilize at high-temperature for no more than 3 minutes. Designed with tiny holes, your food pacifier prevents choking while delivering the nutrients that growing bodies need. The tempered texture nipple holes DO NOT allow chunks of food through which could induce choking.
- ✓ **2-IN-1 PURPOSE & USE:** baby fruit feeder double. Silicone handle design, in made 100% food grade silicone materials. Baby loves to bite everything around them. Baby fresh food feeder also work as a for them especially who is on period and help to relieve sore, pacify baby's emotion, massage tender and gums, soothes pain and itching gums.
- ✓ **SIMPLE EASY TO USE / CLEAN AND FILLING IS QUICK:** Introduce fresh fruits and veggies to your baby with ease place food in mesh bag and snap shut to secure, Fresh food feeder allows you to pop food into the mesh bag and replace the lid. Baby can now suck or chew and only small manageable pieces of food will come through the mesh. The easy to hold soft-grip handles are the perfect size for little hands and pop in some ice cubes and you have a new for sore gums.
- ✓ **UNIQUE DESIGN:** These custom designed Fruit Pacifiers are a MUST HAVE for your Baby! Give your baby a taste of yummy fresh fruit snacks, frozen eating, breast milk, or even vegetables. Simply put a piece of fruit inside the nipple and as your baby sucks and chews, the juices from the fruit will come through while keeping large pieces safely inside the pacifier. This is a great way to get fresh juice and fruit into your baby to help keep them healthy and growing strong.
- ✓ **PACKAGE INCLUDED DIFFERENT TYPES:** 3 pcs baby pacifier feeder, 2 small size and 2 large size suckers(as replacement), on the pacifiers feeder medium suckers .

#### Product More Details

[BABY FEEDER] The best way to safely introduce solids to infants 10 months and up. These teethers allow little bits of food to pass through the small holes, so there's no need to worry while your child enjoys food and gets essential nutrition.

[UNIQUE DESIGN] Each pacifier nipple is made of non-toxic, food-grade silicone, with an open handle that makes it easy for little hands to hold on to. Securely encase food in the silicone compartment.

[SAFE & EASY TO CLEAN] Not only will these feeders help add small solids to a baby's diet, they act as a safe teether to sooth your baby's gum discomfort. Easy to clean and dishwasher safe.

[BABY ACCESSORIES] If you're looking at gifts for the parents in your life, or if you're a parent yourself, you just can't go wrong with this trendy feeder!

[BONUS] For teething babies and toddlers, simply put some frozen fruits inside and it becomes an instant ice lolly soothing their gums.
