- ★ **Easy to Clean:** The hygiene material used makes our teething toy easy to clean, Just clean it with mild soap water or boil to sterilize. Our teething toys also can be placed in the freezer to add a cooling effect.

Product More Details

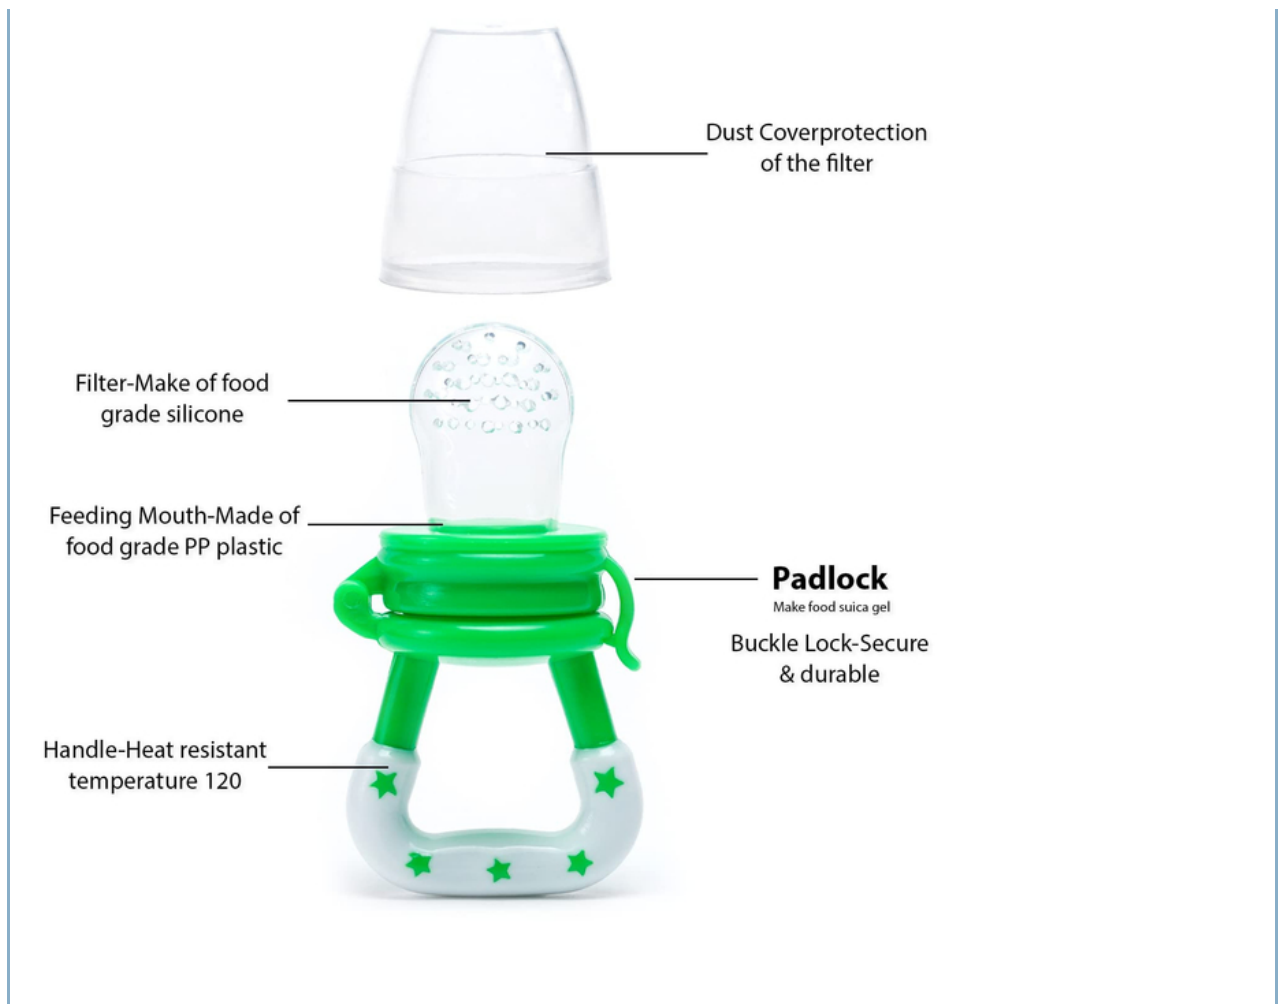

100% SAFE Our baby fruit feeders are made with certified premium 100% Food Grade Silicone that's BPA, PVC, Latex, Latex, Metals, Phthalate, Toxic and Rust free. Our feeders allow your baby to gum on solids long before teeth come in. Best of all, you don't have to worry about your baby putting choke-sized chunks of food into mouth.

100% MULTI-FUNCTIONAL Our baby food feeders combine the functionality of a pacifier and teething toy. You don't even need to mash the food up. The generous food storage pouch stores fruits, vegetables, breast milk, or puree. No more dirty fingers. Great for teething babies. Textured surfaces that massage and stimulate gums are perfect for assisting the eruption of front, middle, and back teeth.

[Innovative Design] The JY fruit feeder pacifier features an inventive rotary handle. If twisted, the handle can push remaining food up, providing a hygienic food delivery system to allow babies to enjoy the last bits of fruits.

EASY CLEANING & STORAGE Silicone replacements are super simple to clean. A light scrub under warm soapy water is all it takes to wash the remainder of your baby's meal out.
