#### Product Features

**Material:** Baby Food Feeder is made from 100% Food grade PP, food - grade Silicone ,Toxin Free ,BPA Free, Petroleum Free, Lead Free, Latex Free and Phthalates Free!

**Use to Safely:** The Infant Silicone Pouches can be used for sucking various kinds of food except liquid food,which balances the nutrition of your toddlers and makes your kids grows healthily. Moms can relax knowing that their little one can be introduced to solid foods through our food feeder. The tempered texture nipple holes DO NOT allow chunks of food through which could induce choking.

**Multi-Purpose:** 3 different size Food Feeder suitable for different age child's supplies. Every growing baby needs one of these infant fruit nipples! These pacifier fruit holders can be used to store fresh or frozen fruits, vegetables, ice chips, breast milk, & even medicine! It relieves your baby's aching itchy gums,and help build up mouth muscle at the same time, these baby fruit suckers are a must have!

**Easy to Clean:** All you do is wash in boil the feeder nipple for sterilization,the teether use the mesh material. The food grade silicone is stain resistant and won't spot or stain like similar mesh bag products.

#### Product More Details

**YOUR BABY'S SAFETY IS OUR PRIORITY:** JY's commitment to product safety ensure that our baby fruit feeders are made out of the highest Food Grade silicone that is BPA Free, Lead Free and Phthalates Free, so you can rest assured that your toddler is safe from harmful chemicals. Improved locking mechanism with childproof snap-lock closure to keep your baby safe. Easy-grip handle with a small hole to be compatible with all types of pacifier clips while keeping the feeder hygiene

**MULTIFUNCTIONAL - 2-in-1 FOOD FEEDER | TEXTURED TEETHER:** This baby fruit feeder is both a pacifier fruit holder and teething toy. Introduce your little one to solid food in a safe and hygienic way. Baby can chew, suck and taste the whole food goodness, with only small, digestible pieces coming through - reducing the risk of choking. It works best with fresh or frozen fruits, ice cube, breast milk to soothe teething pain and massage baby's gum

**EASY TO CLEAN** that make life easier. Unlike other mesh food feeders, our silicone feeder is a breeze to clean. There are no hidden nooks or crannies for germs to grow. All you ONLY have to do is boiling to sterilize or just rinse with warm soap water after each use and thoroughly drain

**THE RIGHT SIZE FOR YOUR BABY:** Each set comes with different sized silicone sacs uniquely designed for 4 months, 6 months and 12 months of age. We value your baby's comfort and your convenience. Different sized sacs are designed to meet the feeding needs of babies of different ages

**ENJOY OUR BABY FRUIT SILICONE FEEDERS SET** - You and your baby deserve the best. We believe you will love our baby fruit pacifier set! We created the safest fresh food feeders that make your life easier. Click the yellow "Add to Cart" button now, knowing you are getting the best! Contact us with any question. As a woman owned business with integrity.
