It would be the perfect gifts for 12 month old toys as Birthday gifts, Easter gifts, Christmas gifts, Children's Day gifts, New Year gifts, Christening gifts.

Product More Details

[Rest Assured to Bite] This set of baby 6-12 months teething toys are made of 100 percent food grade silicone, infant teethers are all BPA Free, non-toxic or odor. Perfect handle size for babies to hold.

[Fine Workmanship] Our baby teethers are neither too soft to crack, nor too hard to abrade baby's gum. Teethers can massage the babies' gums to relieve the pain without hurting them.

[Easy to Grab and Bite] Baby teether toys are full of raised particles, so baby can bite easily, no need to find special angle. And baby can get a good grip while chewing on them, cultivate tactile perception.

[Dishwasher and Freezer Safe] Our silicone teething toys for babies are easy to clean which can be washed in the dishwasher and with boiling water. You can sterilize these infant molar toys by high temperature/Steam/Ultraviolet.

[Two Kinds of Toys] This set adorable and colorful teethers can be chewing and sucking toys from 6-12months, and also can be kid's kitchen pretend play set after the teething stage.

[Bonus] Each set baby teething toy comes with a clip that can be clipped onto your baby's clothes, to prevent the baby teether from falling. Keep it from dropping and collecting dirt.
