Product Features

- **SOFT & PRACTICAL** Soap dish is made of high quality flexible silicone, easy to clean, beautiful, and very practical.
- **ANTI-SLIP, NO WATER ACCUMULATION** Soap savers are designed with grooves to prevent soap from falling down. Self-draining levels allow water to flow out, Keep soap dry quickly, so that it prevents soap melting and extend soap life.
- **WIDELY USED** These soap trays mainly used at home for shower, bath tub, kitchen sponges, cleaning ball, shaver, shampoo, shower gel, hair Clips, earrings, and other small items. They work great in the shower/ bathtub/ kitchen/ countertop and more.
- **BUY WITH CONFIDENCE** The soap rack is made of high-quality environmental protection silica gel. soft and it almost no smell, adults and children can use it safely, You will never worry that it will break or hurt other items.
- **WHAT YOU GET** You will get 3 pieces soap holder totally in one package, enough quantity for your own use and share them with your families, friends.

Product More Details

1. **Anti-slip, Prevent Soap Melting** - The soap holder adopts a waterfall design with self-draining function, which can keep the soap dry and make it last longer. In addition, its curved concave design allows the soap to be fixed in the middle without slipping.
2. **Soft and Safe Material** - Our soap saver dishes are made of food-grade, environmental silicone, which are soft, durable, waterproof, safe and non-toxic, they won't break if they fall.
3. **User Friendly** - Our Silicone soap dish is simple, beautiful, and very practical, does not rust or mold, suitable for different sizes of soaps, easy to use, easy to clean with a small amount of water or a small damp cloth.
4. **Widely Used** - These soap trays are ideal for showers, bathrooms, bathtubs, countertops, kitchens and toilets, not only for soap, but also for dish-washing sponges, glasses, keys, shampoo, shower gel, razors, ladies' hair Clips, earrings, etc.
