Product Description

Baby Bottle Milk Water Drinking Sublimation Travel Anti Colic High Transparent Feeding Biberon Set for Newborn Babies

Product description

The JY Gen.3 silicone sippy spout bottle is the perfect transition from bottle to cup for independent little one. Made of high quality silicone, the sippy spout is extremely soft and gentle for baby's delicate mouth. With automatic straw, babies can drink without tipping their head back. Two handles easily for baby to grab with their little hands. Also there is a dust-proof cap inside the package. And the Gen.3 JY is a detachable design, so convenient to wash and clean. The greatest feature of the Gen.3 JY is its interchangeable attachments. With different attachments for different functions, it can be used as the child grows.

Product specification

Special Features	Leak Proof
Product Dimensions	5.6"W x 5.3"H

Product Features

Health and Safety: JY Sippy Cups are made from food-grade material, free from BPA, ensuring the health and safety of your baby. You can confidently let your baby use this cup.

Weighted Straw Design: These cups feature a weighted straw design that stays submerged in liquid, allowing your baby to easily drink from any angle. It helps your baby learn to use a straw and promotes oral development.

Convenient Handles: JY Sippy Cups come with handles sized perfectly for little hands, making it easy for your baby to grip and hold. Additionally, its compact design allows for easy storage in a diaper bag or baby essentials pouch, making it convenient for on-the-go use.

Leakproof Design: These cups are designed to be leakproof, giving you peace of mind while your baby uses them. You can confidently allow your baby to practice independent drinking without worrying about spills or leaks.

Soft Silicone Straw: JY Sippy Cups come with a soft silicone straw that is gentle on your baby's gums and mouth, while also protecting their dental health. The straw is comfortable, durable, easy to clean, and maintain.
