Night Light

[Silicone JinYu Industrial Brochure .pdf](#)

Product description

- 100% safe and kid friendly squishy silicone.
- Battery operated design, you don't need to buy batteries
- This baby night light is soft enough that turning on lights in the middle of the night won't interfere with your kids' sleep.
- It is more of a "glow" effect which is calming that your little one feels comfortable enough to not be scared of the dark.
- With lovely cloud shapes, it fits perfectly on any shelf and adds a bit of glamour to a room decor.
