#### Product Features

Unique Heart Love Shape Silicone straws are an eco-friendly alternative to disposable single-use plastic straws that are not biodegradable and will present all kinds of issues. These heart-shaped silicone drinking straws are perfect for weddings or any special romantic occasion, and they will be the cherry on top of an amazing meal. Set includes 15pcs 10.25" long silicone straws in assorted colors and 2pcs cleaning brushes.

Save Money in the Long Run Buy once and use them for a lifetime. Reusable silicone straws are flexible and safe to use for both hot and cold drinks. The material is heat resistant up to 248°F to prevent them from taking on the drink's overly hot or cold temperature.

Food Grade Silicone These straws are made of high-quality soft silicone that is safe and does not leach chemicals. They're customizable and can easily be cut down to perfectly fit shorter cups. The silicone straws feel comfortable against your lips and won't hurt the teeth. They are safe to chew on to make good chew straws for kids and durable enough to resist tears.

Easy to Clean Dishwasher safe. The cleaning brushes included are long enough to clean the interior of the silicone straws to keep them in pristine condition at all times, and you can use them to quickly prewash the straws before throwing them in the dishwasher.

Premium Quality Good for both thin and thick beverages. Non-toxic, environment-friendly, odorless, BPA-free, PVC-free, phthalate-free, latex-free. 100% Satisfaction Guaranteed & Tomorotec One-Year Hassle-Free Warranty.

#### Product More Details

VALUE STRAW SET: The package includes 10 bent reusable silicone straws, 2 cleaning brushes, and 1 carrying bag. The straws are available in a number of beautiful colors to meet your daily needs for a long time.

HIGH QUALITY SILICONE: Our reusable straws are made of 100% food grade silicone, BPA free, no rubber taste, not easy to break and durable. Each straw is soft, has a smooth and clean surface.

REGULAR SIZE: Our drinking straws are 10" in length, 0.2" in inner diameter, and 0.3" in outer diameter, compatible with most 20 oz and 30 oz tumblers, allowing you to better enjoy coffee, juice, cola, cocktails and other hot and cold drinks.

EASY TO CLEAN: Our smoothie straws are dishwasher safe and come with two cleaning brushes that are as long as the straws. Insert the cleaning brush into the straw, wash off the residue with dish soap, and rinse with plenty of water.

ENVIRONMENTALLY FRIENDLY: Unlike disposable plastic straws, our silicone straws are plastic-free, reusable, and eco-friendly, which can protect the marine environment. Every time you use it, you are contributing to environmental protection!

## The best children's straws

The soft silicone straw is very suitable for children.  
It is made of high strength and tough food grade  
silicone material.
