Product Features

Completely Safe For Kids - Unlike other types of reusable straws, our silicone reusable straws don't break or develop stain over time. They can also withstand constant biting from your child! You won't have to worry about chipped teeth from stainless steel straws either.

Help Your Child Transition To Cups - Introduce using cups to your child with the help of our reusable straw. It comes with bent tips to avoid liquid spills and helps kids learn how to drink from cups.

Last For Years To Come - Our silicone smoothie straws are made with platinum-cured silicone, which is food-safe and is much softer than regular silicone. Plus, it does not harden over time so your kids can keep using them.

Easy To Clean - With the help of the complimentary brush, cleaning our reusable straw is quick and easy. Just use warm and soapy water. You can also pop it inside your dishwasher.

Never Use Plastic Straws - Bring our bendable straws with you so your little one can enjoy drinks safely anywhere you go. This also help introduce them to being conscious at an early age.
