Product Features

- Reusable and Replaceable: Silicone straws can be reused multiple times without the need for frequent replacement, replacing single-use plastic straws and reducing their impact on the environment while saving costs. The product comes with 4 different colored straws that can be easily replaced for convenience.
- Food Grade Silicone Straws: Silicone is a soft, durable, non-toxic, and recyclable material that is harmless to the human body and resistant to high and low temperatures. Although silicone material is heat-resistant, it is not recommended for use in beverages above 60 degrees Celsius.
- Portable and Foldable: The flexible silicone straw can be easily folded and carried, making it convenient to use while traveling.
- Easy to Clean: The silicone material is not easy to stain and we provide a small brush to clean the inner wall of the straw, so there is no need to worry about dirt residue.
- Wide application: can be used for a variety of beverages, including coffee, tea, juice and milkshakes.

Product More Details

COMPLETELY SAFE FOR KIDS - If silicone turns white in a pinch test, it's a sign of lower quality silicone which may contain fillers. SPLF reusable straws are made of 100% premium grade silicone that are BPA free, phthalate free, PVC-free, plastic free and non-toxic. It's 100% safe and healthy for little kids even babies chewing on and durable to tear, feel soft against the lips, keep liquid away from developing teeth, won't hurt teeth.

UNIQUE TRANSLUCENT DESIGN - This straws Set contains 6 straight and 6 bent silicone straws, 2 cleaning brushes and 1 carrying case. Unique translucent drinking straws in 6 vibrant colors looks pretty, easy to see through and cleaning, more convenient for use.

FLEXIBLE & PORTABLE - 10 inch extra long straws are soft and foldable, easy to bend or cut to desired length. Regular size compatible with your favorite RTIC, tervis or YETI 20 oz or 30 oz tumblers for either cold or hot drinks.

EASILY CLEAN - Our collapsible straws are dishwasher safe. We recommend to wash your new SPLF straws before the first use in warm soapy water with the included cleaning brush or give them a spin through the dishwasher.

ECO FRIENDLY - Bring our bendable straws with you so your little one can enjoy drinks safely anywhere you go. 1 reusable straw can save more than 300 disposable plastic straws. Spend less to save big and protect our planet.
