Product Description

100% Tiny Silicone Drinking Training Cup with Handles & Straw for Baby and Toddler

Product description

This straw cup is made of durable, latex-free food grade silicone, BPA-free. the 2 handles are perfectly sized for little hands to grab. And the lid is cute puppy design. The cup is ideal for babies 6 months and up.

This straw cup is a training cup, it is designed to make the transition from bottles to traditional cups easier for everyone. When it's time for your child to progress to a big kid cup, simply remove the lid.

Product specification

Product Features

- **LITTLE HANDS** Designed for little hands and mouth, our premium silicone collection not only is an alternative to traditional plastics, disposable or fragile dishware but also protects and aids developing teeth.
- **NON-SLIP** Simple, elegant and quipped with handles and a soft silicone straw, our training cup is the perfect way for little ones to learn how to drink like a big kid! When they are ready to drink from an open cup, simply remove the lid and straw
- **CONVENIENT** Designed for everyday life and perfect for indoor or outdoor use. Stain resistant, gunk repelling, chip resistant, scratch proof, and top-rack dishwasher safe for quick cleanup.
- **SAFE** Our cups are BPA-, PVC-, and phthalates-free, lightweight, and shatter-resistant. Suitable for hot and cold foods and liquids.
