Product Features

- Safe for Baby: The two handle baby sippy cup is made out of 100% food grade silicone, which is definitely safe for babies to drink water, milk even to chew. This transition straw cup do not contain any BPA, Lead, and Phthalate.
- Multifunctional: Each transition sippy cup for baby comes with a sippy lid, a straw cup lid and a soft straw. Vary lid matches different stage of babies drinking. The silicone cups for baby with straw can be use as an open cup, sippy cup, and a straw cup, helping your baby go through every stage of drinking.
- Easy to Hold: The toddler straw cup 12 months equipped with 2 solid handles that are perfectly sized for the baby to grab and hold. Also, the soft sippy lid are designed to fit baby's mouth without hurting the gums & lip.
- Unbreakable: The silicone baby cup won't break when dropped. To acquire better leak proof performance, recommend using as a sippy straw cup. This transition straw cup has anti-slip particles on the bottom so is not easy to slip on the table.
- Easy to Clean: The sippy cups for baby 10 months is easily clean by hand or a dishwasher. We recommend cleaning toddler transition cup with unscented, natural detergent since silicone can absorb scents.

Product More Details

- Food Grade Material: Our trainer cup made of soft silicone BPA-, BPS-, PV-, phthalates-, lead- and latex-free, to help protect baby's developing teeth while allowing for a nonslip grip to make movements to the mouth more successful.
- Spill-Proof Lid Design: Our trainer cup come with spill-proof silicone textures straws, won't break when dropped. When your toddler tilts the cup, liquid will not come out through the lid.
- Safety Design: The training cup designed to fit baby's mouth and hands. Interior angle provides an even flow for safe drinking, Weighted base and tactile bumps provide stability and sensory awareness to decrease spills. Also safe to use with cold, warm and hot foods and liquids.
- Multifunctional Drinking Cup: The training cup with lid and straw can be used as a straw cup and an open cup at the same time.
- Baby Shower Gift: The training cup features a seamless design that is easy to wash and dry. Microwave safe, dishwasher safe, freezer safe and heat safe up to 428F/ 220C. The training cup for newborns is reusable, cute also easy to use, perfect for the ideal baby shower gift.
