Product Features

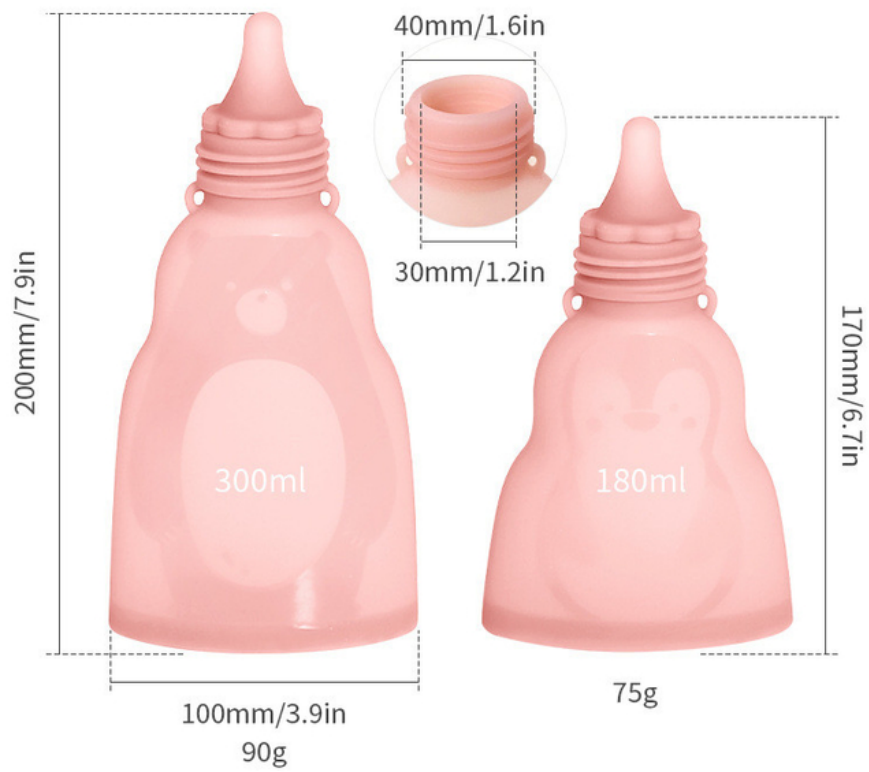

- 100% Food Grade Silicone
- Imported
- ECO-FRIENDLY AND REUSABLE- AULEGE milk storage bags are made of 100% food-grade liquid silicone that is free of BPA PVC and phthalate. You just only need to clean it and can be used again. Silicone Milk Storage Bags are perfect replacement for disposable plastic milk storage bags that can save you several hundred dollars every year and is also a good way to protect the environment.
- 100% LEAK PROOF AND EASY TO CLEAN- Threaded seal design is absolutely no leaking for long-lasting fresh. Widen bottom design keeps the bag upright and ensure it won't topple over easily when pour the milk into the bag. Breastmilk bags can be stored in the refrigerator and freezer, flat or upright. No milk residue remains at the seams along the edges and bottom. Large opening design for easy to clean in dishwasher and heat sterilized.
- VERSATILE USE-JY breastmilk storage bag can store not only breastmilk but also milk, juice, fruit puree. It can also be used as a snack bag, even used as frozen ice packs later when our breastfeeding days are finished, which is very practical.
- LARGE CAPACITY- Receive set of 4 silicone milk storage bags, each can store fl 8oz/240ml of breastmilk. The container is marked with a scale which is convenient for you to see the storage of breastmilk in the bag. You can use the complimentary labels to mark the time and volume and eat according to the shelf life.
- PORTABLE & EASY TO USE- Our breast milk storage bags can be rolled up small in your any bag when not in use. The milk storage bag can be a good match portable pumps use when your maternity done leave and go back to work. Put them in a small mini refrigerator at your office, and then bring home in a lunch box.
