Product Features

Designed for 36 Inch Blackstone Griddle Our griddle cover is custom-designed to fit perfectly with 36-inch Blackstone griddle, ensuring that it won't wobble or slide. Fits 36-inch griddle without any trimming, which really helps to keep the pollen and leaves off.

Protect Your Investment The silicone grill mat is the ultimate protection for 36-inch Blackstone griddle. It prevents dust, debris, and rust from damaging your griddle, extending its lifespan and keeping it in pristine condition. No more cleaning your griddle before every use. Remove the mat and cook on a clean surface!

Food-Grade Silicone Our grill cover is made from 100% food-grade silicone, which is thick, durable, and flexible, making it the safest material to protect the top surface of your griddle. You can rest assured that no harmful substances will leach into your food.

High-Wall Design Griddle mat for Blackstone grill is designed with high walls to prevent water and debris from spreading, making it easier for you to clean your griddle. This design is aimed at keeping your griddle in the best shape possible and enhancing your cooking experience.

Easy to Clean The silicone protective mat is effortlessly cleanable with soap and water, saving you time and effort when it comes to cleaning your griddle. This easy-to-clean feature makes our mat an essential part of your cooking experience.
