Product More Details

HEALTHY ALTERNATIVE : Most prepackaged microwavable popcorn has so much added artificial ingredients and sodium, but with our silicone popcorn popper, there will be no need to worry about what's going in your body, you'll be the judge of that. This microwave popcorn bowl is also a good choice as a Halloween, Christmas gift for friends and family.

SPACE SAVER : This popper is collapsible, so you can store it basically anywhere in your kitchen. It saves space for storage after folding. Perfect for traveling and a great space saver for college dorms.

EASY TO USE : This silicone microwavable popcorn popper is simple to use, clean and put away. The silicone makes for a long-lasting effect, so you will not have to search for a replacement popper after using this one.

New Upgraded Design : Logo directly engraved with mold. Don't worry about the logo peeling off during use, which will not only affect the appearance, but also worry about food safety issues. Thickened silicone, will not be too soft to stand up, more durable.
