Product Features

- High-quality material: Hot water bag is made of high-quality PVC material, odorless, & Non-toxic. BPA-Free hot bottle water bag is recyclable. Compared to the rubber transparent hot water bottles, this one is more durable & longer lasting insulation.
- Safe and easy to use: First open the cap, then fill two-thirds of 80 degrees of water into the rubber water bottle. Finally, tighten the cap and turn the warm water bag upside down to check for leaks.
- Unique design: The special pattern design on the surface makes the hot water bottle for cramps safer and more comfortable. The hot water bottle only cover is comfortable and high-quality material, it can keep warm for a longer time.
- Best assistant: Hot bags can be used for hot and cold therapy. Hot compresses can relieve knee pain, back pain, menstrual cramps, cold hands and feet. Cold compresses can relieve fever and cool down.
