Product Features

- Automatic Drainage & Non-slip: Small Silicone tooth holder design to avoid the soap to touch water, while can effectively prevent soaps from melting and turning into pastes. 5 drainage holes at bottom draw excess water away from soap and keeps the soap tray clean & dry for a Long Time. The petal-shaped design prevents the soap from slipping off the soap tray.
- Safe Food-grade Material: The soap tray is made of high quality soft silicone materials, heat-resistant can to 240°C, colorfast, and easy to clean. It is odor-free which will not pollute any scented soaps. It is also soft skin-friendly, and BPA free, safe for both adults and children without worries of breaking or hurting other objects. Durable, won't rust or break after long-term use, unlike many kinds of wood or bamboo soap dish that go moldy later on.
- Beautifully Designed: The lotus shaped soap holder is inspired by nature. Its streamlined design demonstrates a beauty and love of nature anywhere. It can fit the different color theme of the bathroom ,kitchen, countertop. It can be used as a unique decoration for your room and your life, and the Special surface makes water drops rolling off like on the lotus leaves.
- Easy to Clean: Because of the flexible feature of silicone, any corner is very easy to clean. The anti-slip silicone salient points provide plenty of friction, the soap dish doesn't fall into the sink. If you don't want to wash it by hand, you can also consider washing it in the dishwasher. Please note that soaps are not included in our product., don't heat it directly by fire and don't scratch it with sharp things.
- Wide Application of Soap Saver: Beautiful colors and unique shapes make it suitable for various scenes, placing and storing small items such as soaps, Dishwashing sponges, cleaning balls, razors, lady hair clips, earrings, fruit dish etc. It can also be used as a multifunctional bracket, suitable for bathroom, bathtub, dressing table, kitchen, and toilet. It is an essential accessory for your bathroom to hold soap.
