#### Product Features

**Easy to Use Easy to Clean** --- Both the 2 set silicone mats are soft and nonstick so it's easy to unmold what you shaped from them. Easy to pop out, easy to clean after using them. These silicon mold supplies are bigger, thicker than normal mats, with good details and sturdy material, are perfect for making anything that need to be shaped, such as bath bombs, soap, cupcakes, chocolate cake, painful toys for kids, etc.

**Perfect Craft Molds for Kids DIY** --- These durable silicone trays kit can do work great to bring creativity and happiness for kids. With sweet shapes and generous sizes, they are easy to work with these moulds, so can easily occupy the kids and everyone can have fun. Not only to make soaps or crayons conventionally, but also can use them in different ways, such as to make plaster figurines, cement rocks to decorate garden, they all can come out easily.

**Petty to Give as Gifts** --- The lovely cute designed well made silicone cavity mats is great for homemade DIY gifts. No matter for gift soaps, crayons, wax candles, cakes, jelly candy, etc, they are nice and big but fit in the palm of your hand beautifully. Which can be a great gift for all ages.

**Work Well with Handmade Baking** --- The nice stuff not only be used to make soaps or crayons, but can aslo bake well. As they are non stick, it's easy to get cakes out of mounds and clear patterns. If you don't like to bake, you can also use these molds to make no-bake cookies. Just put the mixture in the molds, stick them in the freezer and they pop out pretty easily. Cute designs so it can get small toddler likes.
