Silicone Pot Holder Features

- There is no strange smell without this anti-scald clip. High quality rubber, good heat resistance.
- Pack of two, the container is more balanced and easier to use. Convenient with daily use. Good toughness, can be used as if it were used.
- It can withstand high temperatures of 140°C, and is used to handle heated containers, and is burned by high temperature resistant materials, making it safer to use with both hands.
- Small objects have great functions. Bowls, plates, baking trays and much more can be easily handled.
- The cartoon shape is more cute, not only plays the role of holding hot objects, but also plays the role of kitchen decoration. Multifunctional sugar clip.

Silicone Pot Holder More Details

- Professional Heat Resistant - Our colorful point print oven mitts pair are made of food-grade silicone, free from BPA. Compared with the traditional cotton gloves, our mini oven mitts will be more durable, not easy to damage. You can use them as your air fryer accessories in the kitchen.
- Easy to Use - Fits the shape of most people's hands. Each silicone glove is suitable for both left and right hand. Our silicone mitts are lightweight so that you can easily put it on and take it off. Baking mitts helps you to grip hot items safely, protect the fingers from scald.
- Easy to Grab - The unique textured gripper strips provides anti-slip function, which helps you grip pots lid, pans, baking sheets, barbecue, frozen items, etc. We can grabbing hot plates straight from the microwave, and stove. Or as a helper when removing tightened screw caps from jars. You don't worry about things slipping off when you grab them.
- Easy to Clean & Store - Gaberoad silicone pot holders are easy to clean, not easy to colour fading. Simple rubbing can remove food residual stains. The hook design allows them to easily hang on kitchen hooks, oven handle or door handles.

Silicone Pot Holder Other Details

- Quantity and color: 4 Pairs Mini Oven Gloves, blue, green, red, orange.
- High Quality Food Grade Materials: Silicone oven gloves are thick heat-resistant insulation pads made of high-quality food-grade materials. The Mini Oven Gloves set can help you safely hold hot items in the kitchen or outdoor grill.
- Soft and Comfortable: Since each glove is suitable for left and right hands, you can easily slide up and down. The soft silicone material makes you feel comfortable.
- Widely Used: Protect your hands from hot cast iron handles or microwave ovens. It can be used as a hot spoon stand or a hot tripod without burning your hands or fingers. It actually solves the problem of avoiding burns to the hands or hot objects.
- Convenient and Essential: It is very convenient to use and can be easily hung on the oven door handle or on the hook. Their colors make them easy to locate and find quickly. Silicone oven gloves are essential accessories for the kitchen.
