Product Description

600°F Heat Resistant Silicone Kitchen Tongs Kitchen Utensils

Silicone Food Tongs Description

It play the role of anti-scalding, heat insulation, non-slip, and high-temperature resistance, which can protect your hands from high temperature. It can be used in ovens, hot pots, pots, and also suitable for hot spoon holders or mobile heat holders to prevent you and your family from getting burned, and can well protect your and your family's hands.

Silicone Food Tongs specification

Special Feature	Heat Resistant
Material composition	Silicone
Product Dimensions	S, M, L
BPA free	Yes
Tasteless	Yes
Non-toxic	Right

Silicone Food Tongs Features

- **7"+9"+12" Silicone Kitchen Tongs Set** These Silicone Kitchen Tongs feature food-grade and BPA-free silicone tips that won't melt, rust, or flake, ensuring safe food contact and remaining your cookware unscratched. There are 3 sizes (7"/9"/12") to cater to your cooking needs.
- **Non-Stick & Heat Resistant Tongs** Being heat-resistant up to 480° F/250° C, our cooking tongs are easy to clean and dishwasher safe. The non-stick silicone tips protect your cookware from damage whether you use them for cooking, grilling, stirring, or serving meals.
- **Thickened & Rustproof Stainless Steel** Made from extra-thick rust-resistant 430 stainless steel, these kitchen tongs are unbeatable in strength and premium construction. Despite their strength, they remain lightweight and easy to handle, allowing you to grasp a thick steak, roasted chicken or salad with ease.
- **Embedded Design for Durability** The embedded design of these tongs combines the silicone tips with the stainless steel handle perfectly and provides the best grip and control without bending or breaking. They are built to last for good value as the must-have kitchen accessories.
- **Pull-Lock Mechanism for Easy Use** These tongs are made with a secure pull-lock mechanism that keeps them from opening and closing accidentally, facilitating better control while using them. The tongs can be conveniently dried and stored. Ideal for everyday use.

Silicone Food Tongs More Details

- **Handy Set of Tongs** — Turn and flip food easily with Culinary Couture's non stick safe tongs. This silicon tongs kitchen utensils set comes with three tongs in three different sizes so you can choose the appropriate size for the food you are preparing or serving.
- **Made of Premium Materials** — Rest easy knowing that these tongs will be your long-time kitchen companion. Made of stainless steel and great-quality silicone heads, these easy to clean cooking tongs can withstand heat up to 480°F. They are suitable for serving any type of food.
- **Safe for You and Your Cookware** — Our stain- and odor-resistant rubber tipped tongs with silicone tips are ideal for nonstick cookware. These food-safe kitchen must-haves contain zero BPAs so your food will never get contaminated, no matter how often you use them.
- **Easy to Use and Store** — Our kitchen tongs have a non-slip ring pull locking mechanism that allows the tongs to remain either closed or open. The ring also doubles as a loop — excellent for hanging and easy storage.
- **Excellent Gift for Culinary Enthusiasts** — This set of silicone-tipped tongs is a great gift for anyone who enjoys cooking. The silicone tongs for air fryer come in a beautifully designed gift box, making it an ideal and elegant present for any occasion.
