Silicone Cooking Pinch Grips More Details

- Designer's Inspiration:The non-slip textured stripes over the mitt provide an excellent secure hold that helps perfectly grip hot pot lids, microwave dishes, or any other hot surface. The semi-circular palm shape design helps get a perfect fit on fingers.
- Kitchen Essential:These mini oven mitts can be used as regular potholders for holding pot lids, baking sheets, and hot dishes, protecting your hands from getting burned. They can also be used for getting hot eggs or any other hot items out of boiling water. Credit to the cute-looking design, these mini gloves are ideal kitchen gifts for the cooker and baker.
- Easy to Clean and Store:These oven mitts are waterproof, stain and odor resistant. They are easy to clean by a quick hand wash with soap. These kitchen essentials are safe to pop into the dishwasher. The hook design allows these to be easily hung on over the oven handle, creating a more relaxing and stress-free kitchen environment.

Silicone Cooking Pinch Grips Other Description

- Silicone Oven Gloves Dimension: 3.14 x 3.54 x 1.57 inches package includes: 4 pack oven gloves
- Material:Silicone oven mitts that are thick heat resistant potholders made from premium food grade material; Mittens are rated to protect you from heat up to 446°F(230°C) ; High quality mini mitt set helps you to grip hot items safely in your kitchen or at your outdoor barbecue; this mighty duo are the ultimate kitchen accessory.
- Handy to Use: Anti-skid strips can provide a stronger, more secure handle for hot pot lids, hot microwave dish and other hot surface. Our silicone potholders can be used right or left hand. When using the oven mitts to take out extremely hot or cold items, putting two silicone potholders on one hand is recommended.
