Silicone Oven Glove Features

- **PROTECT YOUR HANDS.** Having a potholder set or a pair of pot grips is essential for so many jobs in the kitchen, like moving hot pots around, draining your pasta, or taking a baking sheet out of the oven. All of those can be hazardous, so getting kitchen pot holders is a good idea for anyone who regularly cooks and wants to protect their hands. It's particularly gratifying that you can use fun kitchen gadgets (like this set of potholders for kitchens) to make your kitchen a safer place.
- **RELIABLE MATERIALS.** The kind of silicone that each hot pot holder in the pair is made of is both durable and safe. It's strong enough for the silicone pot holder not to crack, chip, or melt but gentle enough to never damage cookware. What especially makes these pot holders for kitchen heat-resistant is the unique shape that doubles the layers of silicone between your skin and the hot handles of a pot. The material is also food grade, BPA-free, and dishwasher-safe: healthy and convenient!
- **FOCUS ON FUN & FUNCTIONALITY.** We at Monkey Business like to design unique kitchen gadgets that will liven up your kitchen, diversify your culinary repertoire, and make cooking more fun. We develop cute kitchen gadgets, cool cooking gadgets, and even weird kitchen gadgets (because it's amazing how those simple things can make their owners and their owners' dinner guests smile), but we never compromise functionality: our practical and funny kitchen gadgets can become your handy assistants.
- **MAKES A PERFECT GIFT.** Oven pot holders from our collection of pasta-inspired cute kitchen gadgets are a humble yet charming gift for anyone who likes to cook and doesn't mind experimenting with their kitchen paraphernalia. Developed by designers, Monkey Business cool cooking gadgets have won international industrial design awards for delivering clever and imaginative solutions. These cute pot holders will surely be appreciated by foodies among your loved ones.
