Product Features

Heat Resistant & Odorless: The air fryer silicone basket is made of high temperature resistant food grade silicone material that can withstand temperatures up to 446°F and does not produce harmful odors. It's safer than disposable parchment and won't set off fire alarms.

Thickened & Non-Deformable: This air fryer silicone pot is made of thickened material and is not easily deformed under high temperatures. Any pulling or folding will allow it to spring back to its original shape. This reusable kitchen air fryer accessory can save you money and extend the life of your air fryer.

Non-Stick & Easy to Clean: Groove design prevents food from sticking, and high-quality silicone material resists grease, the air fryer baking tray can be flipped over for cleaning and is dishwasher safe. It can be folded up when not in use to save storage space.

Practical Design: There are many raised lines on the bottom of the air fryer pad, which help the food to heat evenly and also allow excess grease to escape from the food. This kitchen air fryer accessory is suitable for daily home kitchen baking, camping out, friends gathering barbecue, carnival parties, etc. It is a perfect gift for family, friends and cooking enthusiasts.

Product More Details

Dishwasher Safe The silicone air fryer liner is oil-resistant, dirt-resistant, and easy to clean. You no longer need to scrape off the food from the air fryer basket. It can be cleaned in the dishwasher, making your cleaning very easy and time-saving.

Foldable Design The air fryer liners have two handles, which makes it easier to transfer food to plates or bowls, avoiding burns to your hands. Its foldable design allows for compact storage, saving you space. The wave-like design of the bottom ensures that air flows underneath the food, making them crispy and heating evenly, and allowing oil to flow out underneath the food.

Food-Grade and Heat Resistant The air fryer liners are made of high-quality food-grade silicone, which is heat resistant up to 428°F/220°C. This silicone air fryer liner can be used repeatedly, saving costs. An super alternative for highly flammable parchment paper or paper.

Wide Application The silicone air fryer liner can be used to make various delicious foods and is suitable for air fryers, steamers, ovens, microwaves and more. It is a perfect gift for family, friends and cooking enthusiasts.

Practical Design MMH Silicone Air Fryer Liners with two handles, which can protect your hand from burning. And the groove designs improving air circulation and heat distribution, to make residual oil or grease easy to flow out, enjoy healthier food. **Easy to Clean & Dishwasher Safe** Keep your air fryer clean and enjoy delicious foods. Unique pattern design makes residue oil easily flow out when cleaning. Soft & flexible silicone make cleaning job easy. Handwash with warm water, dishwasher safe.

Widely Applicable A must-have kitchen accessory, suitable for the air fryer, steamer, oven, instant pot, microwave, etc. The perfect gift for your family, friends, and cooking lovers

Tips When using for the first time, please simply clean the silicone air fryer liners before putting it into use. Welcome to contact us if you have any problem about it.
