Silicone Kitchen Spatula Turner Set Features

- 5-pieces Silicone Spatula Turner Set for Nonstick Cookware: This cooking spatula set include long slotted turner spatula, wide slotted turner spatula, large pancake spatula, silicone cookie spatula and long slotted fish turner. The spatulas in this set come in different sizes and shapes, allowing you to choose the right one for any cooking task.
- Safe Material: This 5-piece silicone spatula turner set is made of 100 percent food grade silicone, ensuring the safety and health of you and your family. It is also nonstick, which means it won't scratch or damage your nonstick cookware.
- 600°F Heat Resistant Silicone Spatulas: One of the advantages of using a silicone spatula turner is its high heat resistance. Silicone can withstand high temperatures, often up to 600°F, which makes it suitable for use with hot pans and grills. This heat resistance ensures that the spatula turner won't melt or warp while cooking.
- Ergonomic Design - Silicone Slotted Turner Spatula Set with Anti-Slip Handle: Silicone spatula turners are typically designed with an ergonomic handle for a comfortable and secure grip. This allows for easy control and maneuverability while cooking.
- Easy to clean, Dishwasher Safe: Cleaning the silicone spatula turner is also hassle-free since it is dishwasher safe. It can be easily washed by hand as well. The nonstick properties of silicone prevent food from sticking to the turner's surface, making it easy to clean.
