Product Description

Silicone Spatula and Spoon Set Cooking Kitchen Utensils

Silicone Spatula and Spoon Set Description

The silicone kitchen utensils set is made with food grade silicone head, BPA-Free. It doesn't scratch your cookware, ensures daily use for a long time without being worn down. designed not to bend, break or rust, if you accidentally leave them in the pot for a while, you do not have to worry they will melt. The heads of these soup ladles are large enough to spoon out large portions. The edge of the head is made of soft silicone, which can easily scoop out the last drop of soup without scratching non-stick pot, great for nonstick cookware.
