Silicone Hand Strengtheners Kit Features

- **Premium Material** - Our double lacrosse massage ball is made of high-quality natural rubber, providing the perfect balance of flexibility and firmness, offer you a comfortable massage experience without any unpleasant odors or safety concerns. Elastic Bumps provides deeper tissue massage, stimulate circulation and blood flow.
- **Perfect Design** - Our split peanut shaped massage ball is designed to effectively target the hard-to-reach stabilizing muscles surrounding your spine and vertebrae. Its unique shape allows for effective massage without applying pressure directly on the spine.
- **Benefits of Massage** - By using massage ball for self myofascial relief, you can effectively relieve muscle tension, knots, and soreness. Regular rolling with massage balls can improve circulation, relieve muscle pain and stiffness, enhance flexibility and range of motion, and boost overall athletic performance. Whether you need to release tension in your back, shoulders, neck, hips, arms, legs, buttocks, thighs, or feet, this peanut massage ball is the perfect solution.
- **Massage Anywhere** - With its lightweight and compact design, our peanut massage ball is the on-the-go solution for pain relief and relaxation. Weighing only 0.4lb (6.4oz). Whether you're at home, in the office, at the gym, or on a hike, you can enjoy the benefits of massage therapy. Use it while sitting in a chair, lying on a bed, using a mat, or right on the floor. Get your massage ball and experience the benefits of deep tissue massage no matter where you are!
- **Easy to Use** - Simply lean onto the ball and let your own body weight and gravity do the work in relieving muscle knots and tension. You can use it for self-massage or incorporate it into your stretching routine for enhanced benefits.
