Silicone Massage Ball Set Features

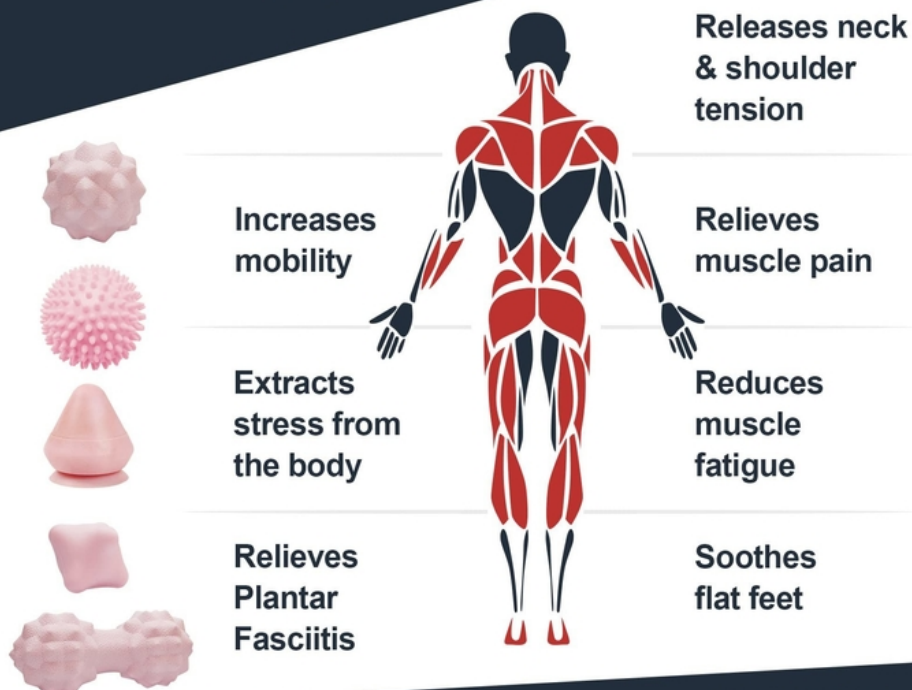

- **THE MOST COMPLETE MESSAGE BALL KIT:**Our 5 in 1 massage ball set was specifically designed for people who are looking for deep tissue massage, myofascial & trigger point release. Our bundle pack includes a Fascia ball (2.6"), a smooth lacrosse ball (2.4"), a peanut ball (4.6"), a spiky ball (3.4"), a hand exercise ball (2.2"), a carry bag.
- **PORTABLE AND DURABLE:** The massage balls are made of 100% TPR material or 100% PVC material, They are high quality, latex free, non-toxic and durable enough to withstand heavy and repeated use without damage. They're easy to clean, lightweight, and travel-friendly for use at home, at the gym, or wherever you go.
- **EASY TO USE:** This easy to use set is perfect for use on different parts of the body. We've included balls of different sizes, as well as a hand exercise ball to give you the options you need for a full body massage. This gives you all the benefits of a massage roller, but with more flexibility. The pointed ball is great for use on the foot and may help reduce the pain of plantar fasciitis. Easily massage your shoulders, back, buttocks and legs.
- **MESSAGE AT HOME:** If you experience muscle soreness and stiffness after a workout, this massage ball set is the perfect solution for you. Seeing a professional massage therapist can be expensive and time-consuming. Now you can enjoy the benefits of self-massage at home. This fitness ball set is suitable for neck, back, shoulder massage, tissue massage and trigger point release. This is a great massager to use after stretching, yoga, running, crossfit, gym workouts or other workout regimens.
- **EASY TO CLEAN:** This set is easy to keep clean, just wipe down with a mild disinfectant spray or soapy water between uses. Having your own portable accessories is great for those who have hygiene issues with using public gym equipment. You can even take this set to a gym or physical therapy appointment. Our massage balls are made of high-quality durable materials that are built to last and provide you with a great value for money.

Silicone Massage Ball Set Details

- **COMPLETE MESSAGE BALL KIT :** Our 5 in 1 massage ball set was specifically designed for people who are looking for deep tissue massage, myofascial & trigger point release. Our bundle pack includes 2 Spiky Balls Firm/Soft, Peanut Ball, a Mountable Self Ball, a Hand Roller Ball for Back, a carry bag and comprehensive exercise guide.
- **PORTABLE & DURABLE :** The massage balls are made of 100% EVA foam or 100% high density rubber. They are high quality, latex free, non-toxic and durable designed for withstand heavy & repeated use without breaking down. They are easy to clean, lightweight and travel-friendly, can be used either at home, gym or anywhere you go
- **RELIEVE TIRED SORE MUSCLES :** Break up and roll away knots in your muscles and fascia with more precision than a foam roller and feel free at last from stiffness or restriction
- **YOUR OWN PERSONAL MESSAGE THERAPIST :** Save the time and cost of physiotherapy massage treatments with a lightweight portable solution for home, work or the gym. Take muscle relief back into your own hands with a kit designed to target the widest range of body tissues: Lower and Upper Back, Neck, Shoulders, Spine, Arms, Hips, Glutes, Legs
- **EASY TO USE ANYWHERE & ANYTIME :** Our massage ball set includes different textures and sizes. With a variety of surface textures, the Mountable Self Ball is an ideal choice for deep tissues and can be used for large muscle groups. The density of peanut balls are very high, which is very suitable for myofascial release in almost all parts of the body. The prick ball has non-invasive pricks and is used to treat plantar fasciitis. Handball can reduce your stress and strengthen your grip and muscles.

How can Tezewa Massage Balls help you?

TEZEWA

Trigger Ball

6.5cm | 2.6in

Effectively target and treat your trigger points with a surface designed to penetrate with shear.

Spiky Ball

7cm | 2.8in

Hard spikes reach deeper into your fascia for tension release and increased blood flow.

Mountable Massage Ball

7cm | 2.8in

Massage ball can be adsorbed on most smooth flat non-porous surfaces. you can push up against it to massage those hard to reach sore areas.

Hand Therapy Ball

6cm | 2.3in

Myofascial release therapy has been shown to have a wide range of benefits including; working out muscle knots, better circulation and fluid flow to the muscles, improving soreness and tension, increasing the range of movement.

Peanut Massage Ball 13.4cm | 5.3in

2 ends of the small dots can deep & precise massage fatigue & sore parts. Middle notch can be targeted at slender areas for massage, such as arms, shoulders, side waist, etc.

Material Design

The massage balls are made of 100% TPR material or 100% PVC material and silicone, They are high quality, latex free, non-toxic and durable enough to withstand heavy and repeated use without damage.
