#### Silicone Mud Applicator Features

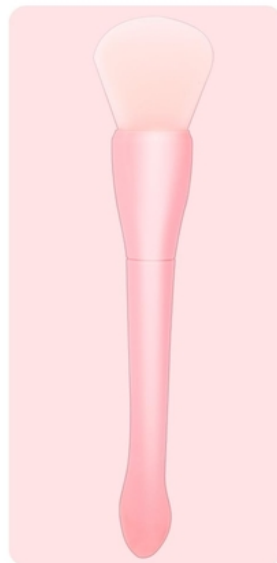

- **DUAL ENDED SILICONE MASK BRUSH:** The silicone brush head on one end evenly applies the mask with a comfortable feel, while the fishtail spoon on the other end easily scoops out the mud mask without wasting a drop
- **APPLY EVENLY:** Facial mask applicator brush can be used to apply mud masks for easy and even application of thin skin care products. Helps to not get the mask into your acrylic nails.
- **EASY TO CLEAN:** Easy to clean with water, durable against high heat and various skincare ingredients. Mask brushes for facials is very soft and you don't have to worry about a bunch of masks stuck in your brush causing waste.
- **SPACE SAVER:** A must have for everyone who loves masks! Silicone brush for face perfect for applying mud, clay or charcoal to mix masks and moisturizers, compact and convenient to save storage space.
- **MULTI-USE:** Holds a lot of products, silicone feels soft but strong enough. Ideal for masks, peels, serums and other skin care products. Suitable for sensitive skin on face and body, professional and home use.

#### Silicone Mud Applicator Details

- **2-IN-1 DESIGN** - The lotion applicator features a dual-ended design with an applicator on one end and a spoon on the other. It's great for clay masks and creams, for foundations, creams, sleep masks, lotions, moisturizers, lotions, serums and other skin care products.
- **IDEAL BEAUTY TOOL** - The face spatula is a great tool for applying face masks, and the silicone is soft to the touch but firm enough to apply clay masks and creams. Use facial spatula instead of your hands to keep your hands free from makeup while keeping the mask from sticking to your nails.
- **EASY TO CLEAN** - The silicone face brush's silicone brush head is resistant to heat and various skincare ingredients, removable, and rinses with warm water and soap after use to clean thoroughly without leaving any residue. Wash the handle after each use as well.
- **DURABLE MATERIAL** - The facial mask brush is made of high grade silicone and durable plastic, the brush will not deform easily and can be reused. silicone makeup applicator's length is 5.5 inches, lightweight and easy to store, it will meet your facial care needs when traveling.
- **VERSATILE BRUSH** - There are 3 pieces silicone makeup brushes in the package, which can meet your daily use and replacement needs, what's more, this mask brush can be used with almost any type of mask, including creams, lotions, gels, muds and other beauty products.
